### PORTOBELLO COLLEGE GRAND REOPENING

We are delighted to announce that the rebuilding work has been completed in time for the new term. At the heart of our school there is now a fantastic, newly-built, modern building. During the redevelopment the old school was completely renovated and expanded with a new sports hall added. We are very proud of this new indoor sports facility with its full-sized basketball court and overlooking fully-equipped gym. The large hall will serve all students for assembly and PE classes as well as other after-school sports and activities. All of the classrooms at Portobello College have also been renovated to the highest standard. The windows are all new and the lights can be controlled to ensure the ideal brightness during classes. The heating in each room can be independently adjusted to get the perfect temperature all year round. Information technology is also part of every classroom thanks to the interactive whiteboards and all of the desks and chairs are of a modern design to promote student comfort and health.

Another addition to our school is the two newly-renovated computer labs. One will be used for formal teaching of ICT lessons, while the other will give students the opportunity to study independently and do research for homework or school projects. Located next door, in the creative wing of the school, our music room provides an elegant space for students to practise instruments as well as learn about the academic theory of studying music. The room is home to a variety of musical instruments and special equipment. The highly attractive art room provides a colourful and inspiring space for students to develop and express their artistic and creative talents. The large desks and artist chairs provide a comfortable environment in a wide, bright, open, space.

The large space at the front of the school where the old PE hall once was has now been redeveloped into a general purpose hall. It will be used for hosting a variety of events including student competitions, parent-teacher meetings and school music and drama productions. The space is also used as an indoor canteen during lunchtimes. Last but not least are two rooms especially designed for students to enjoy spending time in. The spacious library is a quiet and comfortable place where students can browse Portobello's large collection of books. The space is also equipped for class groups to read, make presentations or host special guest speakers. Ten new computers also allow students to access research materials. The common room has been redesigned with students in mind. It is furnished with comfortable cushions and modern built-in storage and facilities. Overall, our aim at Portobello College is to make our students' experience a positive one and create an environment that they honestly can't wait to return to.
