Hoff Language Development 5th Edition:

Language Development Erika Hoff, 2013 Erika Hoff's LANGUAGE DEVELOPMENT 5E International Edition communicates both the content and the excitement of this quickly evolving field. By presenting a balanced treatment that examines all sides of the issues, Hoff helps readers understand different theoretical points of view and the research processes that have led theorists to their findings. After an overview and history of the field, Hoff thoroughly covers the biological bases of language development and the core topics of phonological, lexical, and syntactic development. She also provides in-depth discussions of the communicative foundations of language, the development of communicative competence, language development in special populations, childhood bilingualism, and language development in the school years. Language Development Erika Hoff, 2005 Erika Hoff's LANGUAGE DEVELOPMENT communicates both the content and the excitement of this quickly evolving field. Rowe, Diane P. Levine, 2018-07-17 Now in its fifth edition, *A Concise Introduction to Linguistics* provides students with a detailed introduction to the core concepts of language as it relates to culture. The textbook includes a focus on linguistic anthropology, unpacking the main contributions of linguistics to the study of human communication and culture. Aimed at the general education student, the textbook also provides anthropology, linguistics, and English majors with the resources needed to pursue advanced courses in this area. Written in an accessible manner that does not assume previous knowledge of linguistics, this new edition contains expanded discussions on linguistic anthropology, sociolinguistics, including a section on gender and language, and pragmatics. The textbook incorporates a robust set of pedagogical features, including marginal definitions, a substantial glossary, chapter summaries, and learning exercises. Brand new to this edition are suggested reading lists at the end of every chapter and recommended websites and apps to further aid students in their study. *The Education Debate* David Kirp, Kevin Macpherson, 2022-11-01 In *The Education Debate: What Everyone Needs to Know*, David Kirp and Kevin Macpherson provide a balanced and accessible overview of the key policy and practice issues in pre-K-12 education today.
