Building something from scratch is exciting, but it can also be a challenge. Within this journal lie 365 prompts to help you start your journey. Every page will steer you to strengthening the details of your world, whether you're playing within the vast Dungeons & Dragons cosmos or creating a landscape of your own design. You'll encounter insightful questions that encourage you to delve deep into the backstories of your characters and their enemies and what drives them to a life of adventure. You'll also see prompts that reference D & D myths and legends, some familiar and others more obscure. Answer them as best you can, or let them be the spark that starts your journey into the endless realms of D & D lore. Above all, this guided journal like D & D itself is driven by your imagination. There are no wrong answers, paths, or rolls here, though once the game begins, there are no guarantees. Nor do you need to be a master storyteller, writer, or artist. You just need to aspire to create and have the courage to build something you may have never before imagined. **Random Tables: Dungeons and Lairs** Timm Woods, 2022-09-27 Get ready to add even more dark and dangerous detail to your table-top fantasy tabletop role-playing game with hundreds of random tables designed to help you create epic storylines full of mysterious dungeons, secret entrances, and more. Take your fantasy world to the next level, all with the roll of a dice. *Random Tables: Dungeons and Lairs* is a utility book for fans of tabletop role-playing games like *Dungeons & Dragons*, allowing game masters to generate on the fly content for their adventures: traveling through dangerous dungeons, choosing room and hall aesthetics, and discovering unique sealing techniques. Adventurers love to ask tough questions that can sometimes put game masters on the spot and put their creative skills to the test. Never fear being stumped when the party asks, "What type of rumors are embedded into this dungeon? What's this room's feature, and how can I navigate it? Is this door made from magical properties, or is it normal?" Generate all of these answers and more by rolling on the dozens of randomized tables provided within these pages. Your party will love your fast-paced and exciting adventures, and even you will be on the edge of your seat to see what happens next. **Of Dice and Men** David M.
