Creepshow:

Stephen King's Creepshow Stephen King, 1982 Five scary tales written in comic book format **Creepshow: The Cursed** Elley Cooper, 2021-04-21 Inspired by the breakout TV series *Creepshow* from executive producer Greg Nicotero *The Walking Dead* this volume contains two all new horrifying tales A girl's fantasy of living in an earlier era becomes all too real after she buys a piece of antique jewelry In the woods a pair of teens encounter a green glowing figure whose desires are as mysterious as its origins This brand new terrifying collection includes two chilling novels inspired by *Creepshow* Shudder's anthology TV series based on the 1982 horror comedy classic Perfect for fans of the show as well as fans of the horror genre in general it's the most fun you'll ever have being scared Includes comic book art at the start of each story **Creepshow: The Taker** Elley Cooper, 2020-09-15 Inspired by the breakout TV series *Creepshow* from executive producer Greg Nicotero *The Walking Dead* this fright-filled volume contains two all new chilling tales When Bea moves to a new town she is determined to do two things get on the dance team at school and find new friends What she doesn't expect is for one of those friends to be a ghost or for that ghost to be jealous of her dance crew If Bea wants to keep the peace she has to do what her new friends want But at what cost Casey has always loved animals Dogs and cats are fine enough not that his dead beat dad has ever let him have one But what he really wants is an African Grey Parrot When he finally gets his wish it's almost too good to be true The parrot Dorian sings and talks and learns new tricks so fast Dorian is incredibly smart maybe too smart for his and Casey's own good This collection includes two terrifying novels inspired by *Creepshow* Shudder's anthology TV series based on the 1982 horror comedy classic Perfect for fans of the show as well as fans of the horror genre in general it's the most fun you'll ever have being scared *Creepshow* Simon Brown, 2019-07-09 Released in cinemas in 1982 *Creepshow* is typically regarded as a minor entry in both the film output of George A Romero and the history of adaptations of the works of Stephen King Yet this lack of critical attention hides the fact that *Creepshow* is the only full collaboration between America's bestselling author of horror tales and one of the masters of modern American horror cinema Long considered too mainstream for the director of *Dawn of the Dead* 1978 too comic for the author that gave audiences the film versions of *Carrie* 1976 and *The Shining* 1980 and too violent for a cinemagoing public turning away from gore cinema in the autumn of 1982 *Creepshow* is here reassessed by Simon Brown who examines the making and release of the film and its legacy through a comic book adaptation and two sequels His analysis focuses on the key influences on the film not just Romero and King but also the anthology horrors of Amicus Productions body horror cinema and the special make up effects of Tom Savini the relationship between horror and humor and most notably the tradition of EC horror comics of the 1950s from which the film draws both its thematic preoccupations and its visual style Ultimately the book argues that not only is *Creepshow* a major work in the canons of Romero and King but also that it represents a significant example of the portmanteau horror film of the blending of horror and comedy and finally decades before the career of Zack Snyder *Watchmen* *Man of Steel* of attempting to
