When the unit collides disastrously with UN peacekeepers, the surviving CIA agents may face war crimes trial at the International Criminal Court. On the other side of the Earth, Cole's father, Senator Drew Langan, tries desperately to identify a shadowy group behind the betrayal of his son's CIA unit. An elusive German businessman leads Drew and his femme fatale bodyguard down a rabbit hole of intrigue and corruption that leads all the way to the highest levels of the United Nations. The Reckoning Carsten Stroud, 2015-08-18. The astonishing final installment in the page-turning trilogy that Stephen King calls an authentic work of American genius. Niceville has an almost unearthly beauty when the sun tops the ancient nearby mountain called Tallulah's Wall and bathes it in soft Southern light. But there's a reason Native American tribes avoided the place: An absence that inhabits the air and the depthless sink atop Tallulah's Wall. This Nothing has long bent time and the desires of a chosen few to her shadowy ends. As **THE RECKONING** begins, Detective Nick Kavanaugh and his wife, family lawyer Kate, have accepted that reality in Niceville is not normal. Seemingly they've fought Nothing to a draw. But now a buzzing emerges in the heads of some perfectly normal folks. Nothing isn't finished. Come to Niceville and sink into Carsten Stroud's inimitable blend of crime and supernatural thriller as characters you'll love throw in with bad guys you'll like way more than you should as they battle evil. **The Shimmer** Carsten Stroud, 2018-06-05. How do you hunt a killer who can go back in time and make sure you're never born? A police pursuit kicks Sergeant Jack Redding of the Florida Highway Patrol and his trainee Julie Karras into a shoot-out that ends with one girl dead and another in cuffs and the driver of the SUV fleeing into the Intracoastal Waterway. Redding stays on the hunt, driven by the trace memory that he knows that running woman and he does because his grandfather, a cop in Jacksonville, was hunting the same woman in 1957. Redding and his partner Pandora Jansson chase a seductive serial killer who can ride **The Shimmer** across decades. The pursuit cuts from modern-day Jacksonville to Mafia-ruled St. Augustine in 1957, then to the French Quarter of New Orleans in 1914. The stakes turn brutal when Jack, whose wife and child died in a crash the previous Christmas Eve, faces a terrible choice: help his grandfather catch the killer or change time itself and try to save his wife and child. **The Shimmer** is a unique time-shifting thriller that will stay with you long after its utterly unforeseen and yet perfectly diabolical ending. **Miller's Rules** Wade Tabor, 2000-07-25. English Mason wants the good life and he's striven for it since birth. Now he's within a year of graduating from a top university and marrying his sweetheart of seven years. Big Six accounting firms have begun contacting him. Enter

Miller Dispenberg English's lifelong friend and roommate throughout college. He's a brilliant pre-law student with an eye for the hidden and an insatiable appetite for intrigue; his taste for the edge matched only by his capacity for deception. English and Miller become embroiled in the illusory world of a closely watched senate race where betrayal, sex, and bribery are all common currency where nothing is what it seems and everything has a price. It's a chance for Miller to climb into a stratum he's eyed for years and he's willing to do whatever it takes to get there. But for English, who learns that the strongest force in the world is human desire, it's a time that tests his core and pushes him to determine what matters most. Amidst the murders and the cover-ups hangs the life he so carefully crafted and the only way out may be the worst of all.

The Police Chief, 1990 **Cop Talk** Lewis J. Poteet, Aaron C. Poteet, 2000

The work of a father and son, this lively word book presents the slang of law enforcement officers including prison guards, customs officers, and street cops. It includes language gathered both from working and ex-cops and from printed sources. It evokes the life of this key speech group in an America in crisis: the pride and solidarity, the shame of corruption and brutality, the horror and the excitement of life on the front of the thin blue line. It is the sixth of Lewis Poteet's slang dictionaries; the others have come out of Nova Scotia's South Shore, the Eastern Townships of Quebec, and the worlds of hockey, cars, and motorcycles, and aviation. These words and definitions offer raw material for anyone interested in language and culture and entertainment and enlightenment for anyone fascinated by the spectacle of this living, busy world of law and outlaws. The main body of the book consists of words and phrases from police slang, followed by a personal account of Aaron's attraction to and formation in police work, a set of stories from Aaron's first employment in such work, an essay on Canadian, British, and American regional police cultures by Lewis, and a Poteet Cop Talk Quiz to test your knowledge of the slang.
