Intermediate Accounting K. Fred Skousen, Earl K. Stice, James D. Stice, 2000. This text presents accounting from the perspective of the essential activities of business operating, investing, and financing. Users will see accounting as it is in the real world, an essential component of the management function and decision-making process.

Intermediate Accounting J. David Spiceland, James F. Sepe, Mark W. Nelson, 2011. Adopters and reviewers praise *Intermediate Accounting* 6e by Spiceland, Sepe, and Tomassini for its superior readability, strong supplements package, learning system, good EOC, real-world flavor, consistent quality, and high student engagement. SST 6e will gain support in both traditional and progressive accounting departments, especially those looking for a more concise decision-making text that reinforces challenging concepts. The authors have created a flexible text with a student-friendly writing style that focuses on explaining not only how to apply a procedure but why it's applied. SST 6e is built around a Learning System designed to prepare students for the new CPA exam and the business world by emphasizing decision-making. Acknowledging the diversity of students and their learning styles, the authors have created a clear text and varied supplemental materials to aid the success of every student.
