There are some people describing the advantages and disadvantages of different ways of working. Match the ways of working to exercise 1 to their comments. Some comments might describe more than one way.

It's great because I'm my own boss, but I still work with lots of different people.

I wish I had my own space. I have to carry everything around in my bag and sometimes there's nowhere to sit.

I like it because it's only for a couple of months and I'm looking up to go round the world.

The only problem is sleeping. You hardly ever finish it at night or day!

It can get a bit lonely at times, but I meet my colleagues and all the other people.

My children are at school so it lets me spend more time with them.

When one of us needs a week off, the other person does it for a few extra days so it's fairly flexible.

Work in pairs. Think of some more advantages or disadvantages for each way of working in exercise 2.
