

This is an instructional Cabinet paper template prepared by the Cabinet Office.

[Security classification – minimum of In Confidence required]

Office of the Minister X

Chair, Cabinet X Committee

The Title of the Policy Paper Here

Proposal

- 1 State the proposal at the beginning of the paper in one or two sentences. Succinctly state what Ministers are being asked to consider or decide. Do not list the recommendations.

Executive Summary

- 2 An executive summary must be provided if the paper, including appendices that must be read to understand the issues, is more than four pages long, or if the paper is particularly complex. An executive summary should be brief and succinctly explain the main issues.

Background

- 3 Background information should cover such things as:
 - 3.1 a brief explanation of the reasons for the paper (for example, government policy, need to respond to external factors);
 - 3.2 reference to previous Cabinet or committee decisions (it may not be necessary to restate in full all of the previous decisions as an accurate summary will often suffice - always quote the most relevant Cabinet or committee minute reference, e.g. CAB-15-MIN-0035, or, where the Cabinet minute confirms decisions made by the Cabinet committee, quote the appropriate Cabinet committee minute reference of the decision e.g. SOC-15-MIN-0066;
 - 3.3 a summary of developments.

Comment

- 4 This is the main body of the paper. It should provide the detail required for Ministers to understand the proposal.
- 5 Confine comment to essential information and argument that supports the recommendations and facilitates good decision making. Lengthy, complex and detailed arguments may not be read or understood.
- 6 Comment should, however, state the need for the proposed changes and, as appropriate, set out alternatives and arguments for and against.

Tapping the Oceans Joe Williams,Erik Swyngedouw,2018-11-30 Increasingly water stressed cities are looking to the oceans to fix unreliable contested and over burdened water supply systems Desalination technologies are however also becoming the focus of intense political disagreements about the sustainable and just provision of urban water Through a series of cutting edge case studies and multi subject approaches this book explores the political and ecological debates facing water desalination on a broad geographical scale

Hong Kong Professional Services and the Belt and Road Initiative Linda Chelan Li,Phyllis Lai Lan Mo,2023-03-03 This book scrutinizes the role of Hong Kong in the expansive and contested vision of China s Belt and Road Initiative BRI In two main parts it first discusses the defining features of the BRI and the evolving expectations of the role of Hong Kong in the BRI from the perspectives of policy makers and the professional sectors of accountancy finance and the law The second part contemplates the potential opportunities for Hong Kong from the perspectives of recipient countries Sri Lanka Vietnam Cambodia and Myanmar Utilizing an action

research approach and engaging the views of a broad spectrum of actors the authors observe the critical role of agency and innovations in a context of institutional contradictions the impact of BRI governance structure for the deficits in international participation gaps between grand state visions and commercial interests and the salience of effective communication in navigating complex policy initiatives Taking these together unpacks the complex processes shaping Hong Kong s participation and role in the BRI This book will appeal to students and researchers interested in the BRI and Hong Kong in the contexts of institutional contradictions agency innovations and political dynamics as well as sustainable development
