

Dynamic Programming Algorithms in Speech Recognition

In a system of speech recognition containing words, the recognition requires the comparison between the entry signal of the word and the various words of the dictionary. The problem can be solved efficiently by a dynamic comparison algorithm whose goal is to put in optimal correspondence the temporal scales of the two words. An algorithm of this type is Dynamic Time Warping. This paper presents two alternatives for implementation of the algorithm designed for recognition of the isolated words.

Keywords: dynamic programming, speech recognition, word detection.

Introduction

Studies in speaking recognition field, as well as studies in other fields, follow two trends: fundamental research whose goal is to devise and test new methods, algorithms and concepts in a non-commercial manner and applied research whose goal is to improve existing methods, following specific criteria. This article deals with isolated words recognition within applied research trend.

The fundamental research aims at medium and especially long term benefits, while applied research aims at quick performances improvements of existing methods or extending their use in domains where they have less been used so far.

Improving performances in voice recognition can be done taking into account the following criteria:

- dimension of recognizable vocabulary;
- spontaneous ness degree of speaking to be recognized
- dependence/independence on the speaker;
- time to put in motion the system
- system accommodating time at new speakers;
- decision and recognition time;
- recognition rate (expressed by word or by sentence).

Today's vocal recognition systems are based on the general principles of forms' recognition [3][7]. The methods and algorithms that have been used so far can be divided into four large classes:

- Discriminant Analysis Methods based on Bayesian discrimination;

- Hidden Markov Models;
- Dynamic Programming –Dynamic Time Warping algorithm (DTW) [8];
- Neuronal Networks.

This article presents an example/alternative of dynamic programming DTW algorithm implementation in speech recognition.

1. Dynamic Time Warping Algorithm (DTW)

Dynamic Time Warping algorithm (DTW) [Sakoe , H. & S. Chiba-8] is an algorithm that calculates an optimal warping path between two time series. The algorithm calculates both warping path values between the two series and the distance between them.

Suppose we have two numerical sequences (a_1, a_2, \dots, a_n) and (b_1, b_2, \dots, b_m) . As we can see, the length of the two sequences can be different. The algorithm starts with local distances calculation between the elements of the two sequences using different types of distances. The most frequent used method for distance calculation is the absolute distance between the values of the two elements (Euclidian distance). That results in a matrix of distances having n lines and m columns of general term:

$$d_{ij} = |a_i - b_j|, \quad i = \overline{1, n}, \quad j = \overline{1, m}.$$

Starting with local distances matrix, then the minimal distance matrix between sequences is determined using a dynamic programming algorithm and the following optimization criterion:

$$a_{ij} = d_{ij} + \min(a_{i-1, j-1}, a_{i-1, j}, a_{i, j-1}).$$

The Algorithms Of Speech Recognition Programming And Introduction

The Algorithms Of Speech Recognition Programming And Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Algorithms Of Speech Recognition Programming And Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Algorithms Of Speech Recognition Programming And : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Algorithms Of Speech Recognition Programming And : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Algorithms Of Speech Recognition Programming And Offers a diverse range of free eBooks across various genres. The Algorithms Of Speech Recognition Programming And Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Algorithms Of Speech Recognition Programming And Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Algorithms Of Speech Recognition Programming And, especially related to The Algorithms Of Speech Recognition Programming And, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Algorithms Of Speech Recognition Programming And, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Algorithms Of Speech Recognition Programming And books or magazines might include. Look for these in online stores or libraries. Remember that while The Algorithms Of Speech Recognition Programming And, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Algorithms Of Speech Recognition Programming And full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Algorithms Of Speech Recognition Programming And eBooks, including some popular titles.

FAQs About The Algorithms Of Speech Recognition Programming And Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Algorithms Of Speech Recognition Programming And is one of the best book in our library for free trial. We provide copy of The Algorithms Of Speech Recognition Programming And in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Algorithms Of Speech Recognition Programming And. Where to download The Algorithms Of Speech Recognition Programming And online for free? Are you looking for The Algorithms Of Speech Recognition Programming And PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Algorithms Of Speech Recognition Programming And. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The Algorithms Of Speech Recognition Programming And are for sale to free while some are payable.
