City Stages Michael McKinnie, 2007-01-01 City Stages combines primary archival research with the scholarly literature emerging from both the humanities and social sciences *Signatures of the Past* Marc Maufort, Caroline De Wagter, 2008 In the last decades of the twentieth century North American drama has powerfully enacted the problematic notions of cultural memory and identity as the essays assembled in this critical anthology demonstrate Echoing Derrida's non-essentialist interpretation of the term signature this collection provides an innovative focus on North American theatre and drama as a site of latent cultural memories In this volume the concept of cultural memory offers a privileged vantage point from which to redefine issues of diasporic identities exilic predicaments and multi-ethnic subject positions at the dawn of a new century Playwrights examined here include noted Canadian and US artists such as Marie Clements Eva Ensler Lorraine Hansberry Tomson Highway Cherr e Moraga Djanet Sears Guillermo Verdecchia August Wilson and Chay Yew to cite but a few In the process of remembering North American dramatists develop new aesthetic modes in which the signatures of the past merge with the present and foreshadow an imagined future *The Drawer Boy* Michael Healey, 2005 Beautifully written funny and moving *The Drawer Boy* is a multi-award winning bitter-sweet tale of the power of storytelling friendship and the very thin line between truth and fiction Miles an energetic and idealistic young actor knocks on the door of an isolated farmhouse in rural Canada seeking material for a new play he's working on He discovers Morgan a gruff farmer working tooth and nail to survive and Angus his lifelong friend who has long since lost track of the world But when the farmers let the city boy into their home Miles search for a story gradually unearths a devastating truth that threatens to destroy the tranquil lives of his hosts forever Michael Healey's play *The Drawer Boy* was premiered at Theatre Passe Muraille Toronto in 1999 It won the 1999 Governor General's Award It was staged at the Finborough Theatre London in June 2012 A beautifully written play It moves from toughness and hilarity to something devastating and tender By taking off from an earlier Passe Muraille drama *The Farm Show* and seeing that theatrical event from a new angle it is one of the few plays to create an authentic tradition in our culture Michael Ondaatje **Report** Commonwealth Shipping Committee, 1911 Notes and Queries, 1922

The Song of the Lark Willa Cather, 1915 A novelist and short story writer Willa Cather is today widely regarded as one of the foremost American authors of the twentieth century Particularly renowned for the memorable women she created for such works as *My Antonia* and *O Pioneers* she pens the portrait of another formidable character in *The Song of the Lark* This her third novel traces the struggle of the woman as artist in an era when a woman's role was far more rigidly defined than it is today The prototype for the main character as a child and adolescent was Cather herself while a leading Wagnerian soprano at the Metropolitan Opera Olive Fremstad became the model for Thea Kronborg the singer who defies the limitations placed on women of her time and social station to become an international opera star A coming-of-age novel important for
