Summary of Josh McDowell & Sean McDowell's More Than a Carpenter Everest Media, 2022-06-13T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I was raised in a rural environment and as a result I inherited a practicality that says when something doesn t work get rid of it I chucked religion and then education as I searched for answers 2 I began to think that I could find happiness and meaning in prestige I would find a noble cause devote myself to it and in the process become well known on campus But the thrill of prestige wore off like everything else I had tried 3 I was extremely attracted to the group of Christian students I met and I decided to become friends with them They challenged me to examine the claims of Jesus Christ and I wasn t buying it I was fed up with religion and religious people 4 I was a prelaw student and I knew something about evidence I decided to investigate the claims of Christianity thoroughly and come back and knock the props out from under their sham religion

Reading Book, 1872 **Serenity in the Storm** Kayleigh McEnany, 2023-05-02 A Wall Street Journal Bestseller As seen on Life Liberty Levin and Gutfeld As heard on the Dan Bongino Show Kayleigh McEnany brings to life the key cultural and political issues of our time from the fall of Afghanistan to the Supreme Court's abortion decision analyzing world events through the lens of faith and providing readers with Serenity in the Storm Our world without question is experiencing aberrational times The ravages and life altering realities of COVID 19 that I worked through as White House press secretary were just the start of it What followed was a series of history defining events From the fall of Afghanistan to the nationwide crime wave we've all endured painful images

of death destruction and chaos Meanwhile radical teachings on gender and race have infiltrated our nation s schools poisoning the minds of our children all at a time when our country feels more divided than ever before Along with these twenty first century realities can come a feeling of despair and discouragement Indeed I hear it all the time as I crisscross the country Americans feel disheartened and seek hope Serenity in the Storm provides that hope Despite the challenges we face there is cause for great optimism for men and women of faith In Afghanistan the underground church is thriving On the key issues of life and liberty the Supreme Court of the United States has delivered enormous and consequential victories In our schools voters have spoken unmistakably against the insidious doctrines of critical race and gender theory There is no doubt that God is at work as He hears the prayers of the faithful Taking a similar format to my New York Times bestselling book For Such a Time as This I analyze our domestic and international challenges through the lens of faith Though we have lived through dark times and unsettled waters the storms we face have prompted many great leaders to rise to the moment and have left a yearning in the human heart for a Savior Jesus Christ who is walking alongside us every step of the way
