A Full-Hearted Life Jake Owensby,2024-12-03 Meaningful answers for life s big questions Everyone must ask life s big questions Even people who reject any hint of the supernatural and insist that nothing exists apart from matter will have to find meaning for themselves To put this another way the defining mark of our secular age is not the absence of belief but rather the effect on our consciousness of the sheer number of competing belief systems That effect is fragilization And so belief is fragile We don t have to believe what we believe We could believe something else entirely This book articulates how believing in Jesus gives us a sense of who we are why we re here what the good life is and how to move toward that good life This is not traditional apologetics offering logical proofs that God exists or that Jesus is God incarnate or that all those alternative belief systems are false Put simply the aim of this book is to help you see for yourself and to explain to others how Christian belief and Christian practice can make life
