

## Sample Dialectical Journal: *Night*

Source Material (Provide a direct quotation or paraphrase and a parenthetical citation)	Page #	Respond, Analyze, and Evaluate (Why do you find this passage interesting or important?)
<p>(What are you analyzing?)</p> <p style="text-align: center;"><i>Simile</i></p> <p>“The snow was like a carpet, very gentle, very warm” (83).</p>	83	<p><i>I can picture the men standing in the concentration camp, watching the snow blanket the ground. It is silent there. The snow-covered ground is smooth and soft. Wiesel describes the snow as being “gentle” and “warm.” This comparison is not what one would expect. Standing barefoot in the snow would be very painful. The cold would cut deep into one’s feet. So why does he say it is warm? Maybe his feet are frozen, numb to the pain. Perhaps the snow provides insulation from night’s bitter cold. This comparison creates a sense of peace, a moment without terror and fear. It is as if he is home again, safe and warm. 111 words</i></p>
<p>(What are you analyzing?)</p> <p style="text-align: center;"><i>Personification/ Internal Conflict</i></p> <p>“Death wrapped itself around me till I was stifled. It stuck to me. I felt that I could touch it. The idea of dying, of no longer being, began to fascinate me. Not to exist any longer” (82).</p>	82	<p><i>This is a sad moment for Elie. He has fought to survive, but cannot fight any longer. I can’t imagine being fourteen and wanting to die. I can’t imagine being fourteen and losing my family, my dignity, my soul. What a tragedy. In this passage, Wiesel personifies death to show the control it has over those who are suffering in the camps. In this case, Death silences Elie, overpowering his will and subduing his hope of survival. Elie is conflicted. He wants to survive. He wants to take care of his father. But he doesn’t know how much more he can take. This is important because we see that Elie has reached a breaking point. Death has come for him so many times but has failed. This time, however, Elie is too tired to run, too tired to fight. He has had enough. Death is offering a gift—an escape from this hellish existence. 153 words</i></p>

Focus your entries on the following literary elements.

- \* Motif
- \* Internal and external conflict
- \* Symbolism and theme
- \* Literary devices and strategies (for example, simile, metaphor, imagery, personification, repetition, etc.)

# Dialectical Journal Format

**Carol Booth Olson**

## **Dialectical Journal Format:**

Reading Comprehension Strategies Danielle S. McNamara, 2007 First Published in 2007 Routledge is an imprint of Taylor Francis an informa company

*Teaching Students to Read Like Detectives* Douglas Fisher, Nancy Frey, 2011-10-10 Prompt students to become the sophisticated readers writers and thinkers they need to be to achieve higher learning The authors explore the important relationship between text learner and learning With an array of methods and assignments to establish critical literacy in a discussion based and reflective classroom you ll encourage students to find meaning and cultivate thinking from even the most challenging expository texts

**Teaching Accelerated and Corequisite Composition** David Starkey, 2023-11-21 Teaching Accelerated and Corequisite Composition is the first book to compile on the ground advice and teaching strategies specifically curated for accelerated and corequisite writing courses Trailblazers in the field from colleges across the United States who developed a foundation for corequisites by facilitating equity and accessibility for marginalized students speak to a range of topics and demographics offering support for instructors and practical advice for improving student success The book primarily explores accelerated composition through the lens of two year colleges to answer a central question in the field to what extent do educators need to alter two year college curricular design The contributors also delve into assessment a crucial process for instructors and their students transitioning to accelerated learning the key role that reading plays in the writing process and noncognitive learning an area of study that has been associated with accelerated learning since its inception Together these thirteen chapters provide instructors with a strategic approach to teaching accelerated and corequisite composition Teaching Accelerated and Corequisite Composition points toward a new way of approaching first year composition a method of instruction that fosters the growth and success of writers who were once considered underprepared for college writing and are now achieving unprecedented success
