our personal satisfaction How should Christians resolve interpersonal conflict Should we simply give in to someone with whom we disagree just to avoid conflict What are the rules when Christians become petty insensitive or argumentative If we love our neighbor as we love ourselves how do we confront conflict without compromising our values The solution is to understand and learn to confront the behavior not the people we love A Tale of Two Perspectives explores the dynamics of interpersonal conflict from a Christian point of view It blends business conflict resolution strategies with biblical narratives to demonstrate a compelling and innovative point of view Dr Norris uses his background as a pastor chaplain business executive husband and father to embroider his work with contemporary examples that may sound uncomfortably familiar He examines how our communication style personality attitudes emotions frame of reference and spiritual values influence our capacity to resolve conflict effectively
