Painfully Rich John Pearson, 1995 This is a fascinating saga of an extraordinary dynasty The largest fortune in America has not brought happiness to the Getty family This tale of money and greed is also ultimately of hope as John Paul Getty Jr uses his inheritance more wisely

All the Money in the World John Pearson, 2011-12-01 Inspired by the most infamous incident involving the Getty family now a major film directed by Ridley Scott starring Mark Wahlberg Michelle Williams and Oscar Nominee Christopher Plummer Oil tycoon J Paul Getty created the greatest fortune in America and came close to destroying his own family in the process Of his four sons who reached manhood only one survived relatively unscathed One killed himself one became a drug addicted recluse and the third had to bear the stigma all his life of being disinherited in childhood The unhappiness continued into the next generation with the name Getty as one journalist put it becoming synonymous for family dysfunction Getty s once favourite grandson John Paul Getty III was kidnapped by the Italian mafia who cut off his ear to raise a ransom and after a lifetime of drink and drugs became a paraplegic His granddaughter Aileen has AIDS And the Getty family itself has been torn apart by litigation over their poisoned inheritance But did the disaster have to happen John Pearson who has specialized in biographies of families as varied as the Churchills the British Royal Family the Devonshires and the Krays sets out to find the answer The result first published in 1995 is a fascinating saga of an extraordinary dynasty He traces much of the trouble to the bizarre character of the avaricious sex obsessed billionaire J Paul Getty himself and demonstrates how much of his behaviour has been repeated in succeeding generations He describes the famous kidnapping of his grandson in graphic detail revealing how the old man s attitude added considerably to the boy s sufferings And he shows how the family has coped with the latest modern scourges drugs and AIDS For *All the Money in the World* is not a hopeless story While some of the family have been damaged by the Getty legacy others have saved themselves from disaster most notably the cricket loving philanthropist J Paul Getty Jr Pearson s moving story of his recovery from drugs and deep personal tragedy shows that there is hope for future generations of this stricken family and demonstrates that money can be used to buy survival and even happiness
