How To Make Love To A Martian:

How to Make Love to a Martian Akash Abid,2021-06-07 Why are you doing this he asked in his rough Jamaican accent as he slammed my mobile phone the screen lit onto the countertop I looked at him for a beat as he stood in the doorway of the bathroom with nothing to his name but our marriage certificate I stopped drying my hair brush in one hand blow dryer in the other then looked down at the phone to find he d riffled through it and uncovered a stream of text messages and explicit photographs I d sent to my lover the night before I looked back up at him smirked and replied Why not He stood there weak and defeated his dark skin paling and his crooked toes gripping the carpet His eyes darted back and forth as he struggled to find some sort of understanding I was unflinching I stood with honor and pride despite my infidelity In my calmest most rational voice I continued Listen I have to be at the salon in thirty minutes I m going to finish blow drying my hair Why don t you take this time to go through my phone some more and get all the information you feel you need I turned back toward the mirror and resumed drying my hair as he collected my phone and headed back into the bedroom After finishing I entered the room and stood at the foot of the bed as he lay there scrolling through the phone I have to go so I ll need that back He sat up and handed the device to me then silently slouched back onto the pillows I ll be gone for about an hour If you have any questions we can discuss them when I return I insisted before slipping on my shoes grabbing my purse and walking out the door

The Diamond Sutra Osho,2023-06-29

Before Buddha there were religions but never a pure religiousness Man was not yet mature With Buddha humanity enters into a mature age All human beings have not yet entered into that that s true but Buddha has heralded the path Buddha has opened the gateless gate It takes time for human beings to understand such a deep message Buddha s message is the deepest ever Nobody has done the work that Buddha has done the way he has done Nobody else represents pure fragrance Other founders of religions other enlightened people have compromised with their audience Buddha remains uncompromised hence his purity He does not care what you can understand he cares only what the truth is And he says it without being worried whether you understand it or not In a way this looks hard in another way this is great compassion

The Goose Is Out Osho,2012-04-10 There is a famous Zen story about a disciple Riko who once asked his master Nansen to explain to him the old Zen koan of the goose in the bottle Namely if a man puts a gosling into a bottle and feeds the gosling through the bottle s neck until it grows and becomes a goose and then there is simply no more room inside the bottle how can the man get it out without killing the goose or breaking the bottle In response Nansen shouts RIKO and gives a great clap with his hands Startled Riko replies Yes master And Nansen says See The goose is out In this Zen flavored series of responses to questions the contemporary mystic Osho cuts through the mad complexity of the contemporary human mind and its self created problems with humor compassion and even an occasional shout and clap of his hands The goose in the questioner s bottle may be a philosophical problem or an existential dilemma a relationship drama or an emotional crisis in each case

Osho's unique and transformational response sets the goose free allowing us to rediscover the simple and innocent clarity each of us brings with us when we

Stop Me If You've Heard It! Soupy Sales, 2003-04-18 Soupy Sales was a longtime host of an event at Friars Club called Stop Me If You've Heard It where a group of comics all seated on bar stools attempt to top each other by telling a joke. By the end of the evening it's not all that clear who actually topped who since the audience is too busy brushing tears away doubling over in laughter and praying their bladders remain intact before making a beeline to the bathrooms. Hilarious doesn't even begin to describe these evenings. This event with Soupy as top banana was as highly anticipated as The Friars' infamous Roasts and his comic legacy endures in this book of his favorite jokes. There is never a dull moment when Soupy is in the room. The Friars are lucky we just have to turn around and listen to Soupy tell his hilarious jokes. Thanks to this book though you've got the next best thing if you can't join him: read him. The Soup is on and he's boiling over with laughs. Barry Dougherty of The Friars Club

Language and Characterisation Jonathan Culpeper, 2014-07-23 Textual Explorations General Editors Mick Short Lancaster University, Elena Semino Lancaster University The focus of this series is on the stylistic analysis of literary and non-literary texts and the theoretical issues which such work raises. Textual Explorations will include books that cover studies of literary authors, genres and other groupings, stylistic studies of non-literary texts, translation, the teaching of language and literature, the empirical study of literature and corpus approaches to stylistics and literature study. Books in the series will centre on texts written in English. Readership of the series is mainly undergraduate and postgraduate students, although advanced sixth formers will also find the books accessible. The series will be of particular interest to those who study English language, English literature, text linguistics, discourse analysis and communication studies.

Language Characterisation: People in Plays Other Texts explores how the words of a text create a particular impression of a character in the reader's mind. Drawing together theories from linguistics, social cognition and literary stylistics, it is the first book-length study to focus on the role of language and characterisation in the dialogue of play texts. Containing numerous examples from Shakespeare's plays, the book also considers a wide range of other genres including prose fiction, verse, films, advertisements, jokes and newspapers. Language and Characterisation is as practical as it is theoretical and equips readers with analytical frameworks to reveal and explain both the cognitive and the linguistic sides of characterisation. Clear and detailed.

introductions are given to the theories and useful suggestions for further analysis are also made at the end of each part of the book The book will be essential reading for students and researchers of language literature and communication *Love and War Between the Signs* Amy Keehn,1997 Keehn maintains that those with emotional sun signs like to feel emotionally connected while those with mental sun signs are made anxious by this close contact Written in a deft and humorous style this book tells how these thinkers and feelers can learn to better understand their emotional natures The text builds on John Gray s bestseller *Men Are from Mars Women Are from Venus* and he writes the forward for *Love and War Between the Signs*
