Ice Anna Kavan:

Ice Anna Kavan, 2017-11-14 A dazzling and haunting vision of the end of the world *Ice* is a masterpiece of literary science fiction now in a new 50th anniversary edition with a foreword by Jonathan Lethem One might become convinced that Kavan had seen the future A half century after its first appearance Kavan's fever dream of a novel is beginning to seem all too real The New Yorker In a frozen apocalyptic landscape destruction abounds great walls of ice overrun the world and secretive governments vie for control Against this surreal yet eerily familiar broken world an unnamed narrator embarks on a hallucinatory quest for a strange and elusive glass girl with silver hair He crosses icy seas and frozen plains searching ruined towns and ransacked rooms all to free her from the grips of a tyrant known only as the warden and save her before the ice closes all around A novel unlike any other *Ice* is at once a dystopian adventure shattering the conventions of science fiction a prescient warning of climate change and totalitarianism a feminist exploration of violence and trauma a Kafkaesque literary dreamscape and a brilliant allegory for its author's struggles with addiction all crystallized in prose glittering as the piling snow Kavan's 1967 novel has built a reputation as an extraordinary and innovative work of literature garnering acclaim from China Miéville Patti Smith J.G. Ballard Anaïs Nin and Doris Lessing among others With echoes of dystopian classics like Ursula Le Guin's *The Lathe of Heaven* Kurt Vonnegut's *Cat's Cradle* and J.G. Ballard's *High Rise* *Ice* is a necessary and unforgettable addition to the canon of science fiction classics One of the most mysterious of modern writers Anna Kavan created a uniquely fascinating fictional world Few contemporary novelists could match the intensity of her vision J.G. Ballard There is nothing else like it Doris Lessing For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 800 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Ice Anna Kavan, 2025-01-16 This classic of feminist science fiction centres on the hunt for a white haired girl through a frozen post apocalyptic landscape _____ There is nothing else like it This ice is not psychological ice or metaphysical ice here the loneliness of childhood has been magicked into a physical reality as hallucinatory as the Ancient Mariner's Doris Lessing One of the most mysterious of modern writers Anna Kavan created a uniquely fascinating fictional world Few contemporary novelists could match the intensity of her vision J.G. Ballard One of the most terrifying postulations about the end of the world One can only admire the strength and courage of this visionary The Times _____ *Ice* will soon cover the entire globe As the glacial tide creeps forward society breaks down Hurling through the frozen chaos is a nameless narrator seeking the white haired girl he once loved desperate to rescue her or perhaps to annihilate her Through nightmarish ever shifting scenes she flees him and his powerful enemy the Warden But none of them can outrun the ice Anna Kavan's masterwork is an apocalyptic vision of environmental devastation and possessive violence rendered in unforgettable

historical phenomenon This collection reassesses how British female novelists operated in relation to transnational vanguard networking clusters debates and tendencies both political and artistic The chapters collected in this volume enquire for example whether there is something fundamentally different or politically dissident about female experimental procedures and perspectives This book also investigates the processes of canon formation asking why in one way or another these authors have been sidelined or misconstrued by recent scholarship Ultimately it seeks to refine a new research archive on mid century British fiction by female novelists at least as diverse as recent and longer established work in the domain of modernist studies
