

In this test booklet you'll find:

- an Entry test
- a test for each File of *New English File Elementary*, in A and B versions
- an End-of-course test, in A and B versions

The Entry test

This is an optional test which covers some of the key Grammar and Vocabulary points from the first four lessons (1A, 1B, 1C, 1D) of *New English File Elementary*. You may want to give your students this test so that you can get an idea of their starting level – for example, are they complete beginners or do they have some knowledge of English already, and how much basic language do they know? If your students are at a very low level, look out for the **Extra support** ideas in the Teacher's Book. If they are stronger, look out for the **Extra challenge** ideas.

The A and B tests

There are two versions (A and B) of each File test and of the End-of-course test (except the Speaking tests, which are designed for students to do in pairs). If your students don't copy each other then you can just use the A tests. If your students do copy each other then put them in pairs, one with an A test and one with a B test – it's almost impossible for them to copy each other's answers. (The A and B tests cover exactly the same material, but the questions have been changed and reorganized.)

The skills tests include KET-type exercises which reflect the format of the KET exam.

Listening tests

All the Listening tests re-use listenings from the Student's Book. Some students may remember the contexts of the listenings, but they are very unlikely to remember the detail, and the listening exercises are all KET-type tasks which are different from the tasks that students have already done.

The Listening numbers **100** are indicated in the Answer key.

Answer key

The Answer key for the tests starts on page 71. There are separate keys for the A and B versions of the tests.

All the Tests consist of:

- Grammar, Vocabulary, and Pronunciation
- Reading and Writing
- Listening and Speaking
- Total score

	50
	25
	25
	100

If you only do 'Grammar, Vocabulary, and Pronunciation', double your students' mark to give a total score out of 100, e.g.

Grammar, Vocabulary, Pronunciation mark	38	50
Total score	76	100

If you do 'Grammar, Vocabulary, and Pronunciation' and 'Reading and Writing', but not 'Listening and Speaking', double your students' 'Reading and Writing' mark to give a percentage, e.g.

Grammar, Vocabulary, and Pronunciation mark	38	50	
Reading, Writing mark	18/25 =	36	50
Total score	74	100	

There are marking guidelines for Writing and Speaking on page 3.

These tests may be photocopied freely for classroom use. They may not be adapted, printed, or sold without the permission of Oxford University Press.
