Technical Documentation Style Guide:

Read Me First! Sun Technical Publications, 2003. The must-have reference for every technical writer, editor, and documentation manager. Provides all the information you need to document hardware, software, or other computer products. Written by award-winning documentation experts at Sun Technical Publications. *Read Me First* is the most comprehensive guide to creating documentation that is clear, consistent, and easy to understand. *The Insider's Guide to Technical Writing* Krista Van Laan, 2012-05-15. Every complex product needs to be explained to its users, and technical writers also known as technical communicators are the ones who do that job. A growing field, technical writing requires multiple skills, including an understanding of technology, writing ability, and great people skills. Whether you're thinking of becoming a technical writer just starting out or you've been working for a while and feel the need to take your skills to the next level, *The Insider's Guide to Technical Writing* can help you be a successful technical writer and build a satisfying career. Inside the book: Is This Job for Me? What does it take to be a technical writer? Building the Foundation: What skills and tools do you need to get started? The Best Laid Plans: How do you create a schedule that won't make you go crazy? How do you manage different development processes, including Agile methodologies? On the Job: What does it take to walk into a job and be productive right away? The Tech Writer Toolkit: How do you create style guides, indexes, templates, and layouts? How do you manage localization and translation, and all the other non-writing parts of the job? I Love My Job: How do you handle the ups and downs of being a technical writer? Appendixes: References to websites, books, and other resources to keep you learning. Index. **Technical**
