11. How does Noddings distinguish between "caring-about" and "caring-for"? What is the difference between ethical caring and natural caring? How are the two forms of caring related?
12. According to Rita Manning, what is the central priority of ethics? How do our duties to others arise? Do we have equal responsibilities to all people? How can we limit our obligation to care for others?
13. Why does Manning wonder whether taking a moral philosophy course is the best way to become sensitive and moral individuals? Does Manning think that we are obligated to help starving people in Africa? Besides persons, what else can be an object of care?
