**Arthur Conan Doyle, Sir**

## **Sherlock Holmes The Sign Of The Four:**

**The Sign of Four** Conan Sir Arthur Doyle, Arthur Conan Doyle, Sir, 2008-01-01 First published in 1890 The Sign of Four is Sir Arthur Conan Doyle's second book starring legendary detective Sherlock Holmes. The story is complex, involving a secret between four ex-cons from India and a hidden treasure. More complex than the first Holmes novel, The Sign of Four also introduces the detective's drug habit and leaves breadcrumbs for the reader that lead toward the final resolution. Readers are offered an explanation of the mystery from the killer's perspective, encouraging a sense of sympathy with the condemned that the previous book also lacked. Any fan of the mystery genre should consider this book a must-read. Scottish surgeon and political activist SIR ARTHUR CONAN DOYLE (1859-1930) turned his passions into stories and novels, producing fiction and nonfiction works, sometimes controversial. The Great Boer War (1900) sometimes fanciful, The Coming of the Fairies (1922) and sometimes legendary, The Adventures of Sherlock Holmes (1892). *The Sign of the Four* Arthur Conan Doyle, 2019-04-16 The Sign of the Four (1890) also called The Sign of Four is the second novel featuring Sherlock Holmes, written by Sir Arthur Conan Doyle. Doyle wrote four novels and 56 short stories featuring the fictional detective. The story is set in 1888. The Sign of the Four has a complex plot involving service in India, the Indian Rebellion of 1857, a stolen treasure, and a secret pact among four convicts, the Four of the title, and two corrupt prison guards. It presents the detective's drug habit and humanizes him in a way that had not been done in the preceding novel, A Study in Scarlet (1887). It also introduces Doctor Watson's future wife, Mary Morstan. According to Mary, in December 1878, her father had telegraphed her upon his safe return from India and requested her to meet him at the Langham Hotel in London. When Mary arrived at the hotel, she was told her father had gone out the previous night and not returned. Despite all efforts, no trace has ever been found of him. Mary contacted her father's only friend who was in the same regiment and had since retired to England, one Major John Sholto, but he denied knowing her father had returned. The second puzzle is that she has received six pearls in the mail from an anonymous benefactor, one per year since 1882, after answering an anonymous newspaper query inquiring for her. With the last pearl, she received a letter remarking that she has been wronged and asking for a meeting. Holmes takes the case and soon discovers that Major Sholto had died in 1882 and that within a short span of time, Mary began to receive the pearls, implying a connection. The only clue Mary can give Holmes is a map of a fortress found in her father's desk with the names of Jonathan Small, Mahomet Singh, Abdullah Khan, and Dost Akbar. *The Sign of the Four* Arthur Conan Doyle, 2022-05-17 In The Sign of the Four, Arthur Conan Doyle crafts a masterful narrative that intertwines intrigue, adventure, and the profound complexities of human motives. Set against the backdrop of Victorian London, this novel presents a riveting mystery that follows the astute detective Sherlock Holmes and his companion Dr. John Watson as they unravel a web of crime involving a hidden treasure and a secret pact. Doyle's literary style blends vivid characterizations with intricate plotting, showcasing his keen understanding of psychological depth and narrative tension while also reflecting the socio-cultural dynamics of his time.

including colonial themes and the class struggles prevalent in 19th century England Arthur Conan Doyle a physician and avid explorer of the human mind was influenced by his background in medicine and his fascination with adventure and ethics The creation of Sherlock Holmes stemmed from Doyle s own experiences with observation and deduction encapsulating the scientific methodologies of his era This novel marks a pivotal evolution in the Sherlock Holmes canon as it showcases the detective s complex relationships and moral dilemmas providing profound insights into Doyle s broader narrative concerns around justice and humanity The Sign of the Four is highly recommended for readers who enjoy layered mysteries steeped in historical contexts It is not just a thrilling detective story it is a profound exploration of trust betrayal and the eternal quest for truth Whether you are a longtime fan of Sherlock Holmes or a newcomer to the genre this novel promises to enrich your literary experience with its compelling narrative and rich thematic depth In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing An Author Biography reveals milestones in the author s life illuminating the personal insights behind the text A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read
