# HONEYMOON

*What would you do if you faced your wife's killer?  
Forgive... or get your revenge?*

A woman is floating face-up in the ocean. Her head is tilted back, and her eyes are closed. The water is a clear, light blue. The background shows a horizon line under a bright sky.

[Second Honeymoon](#) James Patterson, Howard Roughan, 2013 *Bestseller* Robert McParland, 2018-12-15 Whether curled up on a sofa with a good mystery, lounging by the pool with a steamy romance, or brooding over a classic novel, Americans love to read. Despite the distractions of modern living, nothing quite satisfies more than a really good book. And regardless of how one accesses that book—through a tablet, a smart phone, or a good old-fashioned hardcover—those choices have been tallied for decades. In *Bestseller: A Century of America's Favorite Books*, Robert McParland looks at the reading tastes of a nation from the beginning of the twentieth century to the present day. Through extensive research, McParland provides context for the literature that appealed to the masses, from low-brow potboilers like *Forever Amber* to Pulitzer Prize winners such as *To Kill a Mockingbird*. Decade by decade, McParland discusses the books that resonated with the American public and shows how current events and popular culture shaped the reading habits of millions. Profiles of authors with frequent appearances, from Ernest Hemingway to Danielle Steel, are included along with standout titles that readers return to year after year. A snapshot of America and its love of reading through the decades, this volume informs and entertains while also providing a handy reference of the country's most popular books. For those wanting to learn more about the history of American culture through its reading habits, *Bestseller: A Century of America's Favorite Books* is a must-read. [Pure](#)
