Starting a Seeker Sensitive Service Ed Dobson,1993 This is a book about radical change It is the story of how a traditional church launched a non traditional service in order to open its doors to unchurched people This book has grown out of five years of ministry to hurting people who are either skeptics agnostics or doubters of the Christian faith It has been shaped by people who do not give much of a rip about God or the Bible but they are at least willing to listen It is a book about what I have learned from these fellow travelers in the adventure of life

Mark Cocker, 1992 Refreshing original and eminently readable The Literary Review Loneliness and Time is a pioneering study of travel writing as a literary form and of travel as a cultural phenomenon Mark Cocker offers a fertile mixture of biography history and literary criticism in his portraits of some of the most prominent twentieth century British explorer writers including Wilfred Thesiger Laurens van der Post Gavin Maxwell and Lawrence Durrell and of the places Greece Tibet that obsessed them In scrutinizing the deep drives that impelled these men to the outer reaches Cocker makes clear the immensely powerful idea of the journey as quest as pilgrimage and how it has come to carry mythological and spiritual import In each portrait the journey s meaning is unearthed layer by layer and we see not only how it operates in the lives of the travelers themselves but its importance to the modern industrial and largely secular societies from which these figures emerge Cocker shows how foreign landscapes and their inhabitants have been used by travel writers as a means to self definition as well as a source of image fantasy even self image Loneliness and Time illuminates the appeal of travel the desire to explore the unfamiliar and the strange that captivates us all BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Byzantine and Modern Greek Studies* ,2000 *Aunt Kate books on domestic and other subjects.
