and the profound is timeless Wiesel's Rashi is a heartbroken witness to the suffering of his people and through his responses to major religious questions of the day we see still another side of this greatest of all interpreters of the sacred writings Both beginners and advanced students of the Bible rely on Rashi's groundbreaking commentary for simple text explanations and Midrashic interpretations Wiesel a descendant of Rashi proves an incomparable guide who enables us to appreciate both the lucidity of Rashi's writings and the milieu in which they were formed
