Dutchmen forced to work in the Ruhr to help the German war effort Escaping back to the Netherlands Hank went underground with a number of his friends remaining in occupied Holland for the duration of the war Helping to shelter a down British airman who eventually escaped using the Dutch rail network while still dressed in his RAF uniform Hank also saw Hitlers infamous V 2 rockets take flight along with the Nazis sadistic treatment of Hollands Jewish population Liberated from German occupation by Canadian soldiers in 1945 three years later Hank found himself starting a new life as an immigrant to Canada Vividly retold Hanks story is one of survival and resistance in a time of unprecedented violence and treachery His story is about not only tragedy but also heroism In short it is the story of Holland in the Second World War and one mans determination to build a new life for himself in the country that gave him his freedom
