The Art of People Dave Kerpen, 2016-03-15. What does it take to win success and influence? Some people think that in today's hyper-competitive world it's the tough, take-no-prisoners type who comes out on top. But in reality, argues New York Times bestselling author Dave Kerpen, it's actually those with the best people skills who win the day. Those who build the right relationships. Those who truly understand and connect with their colleagues, their customers, their partners. Those who can teach, lead and inspire. In a world where we are constantly connected and social media has become the primary way we communicate, the key to getting ahead is being the person others like, respect and trust. Because no matter who you are or what profession you're in, success is contingent less on what you can do for yourself but on what other people are willing to do for you. Here, through 53 bite-sized, easy-to-execute and often counterintuitive tips, you'll learn to master the 11 People Skills that will get you more of what you want at work, at home and in life. For example, you'll learn: The single most important question you can ever ask to win attention in a meeting. The one simple key to networking that nobody talks about. How to remain top of mind for thousands of people every day. Why it usually pays to be the one to give the bad news. How to blow off the right people. And why, when in doubt, buy him a Bonsai. A book best described as *How to Win Friends and Influence People* for today's world. *The Art of People* shows how to charm and win over anyone to be more successful at work and outside of it. *Wisdom for Millennials and Others* Frank Perroni, 2022-04-19. If you are looking for words of wisdom, seek them from the wise who lived before us and in our era. Throughout millennia, thousands of years of written history, men and women have left to us words of wisdom. Here are some selected contributions which can educate, motivate and inspire readers of all ages, from millennials to elders. From thousands of years ago to our present times, the insights of outstanding women and men are here collected and amplified. It is the author's hope that applying these words and comments will help bring every reader to his or her personal success in life's journey. Thank you for taking this book up into your hands and its words into your hearts. You Owe You Eric Thomas, PhD, 2022-09-13.
