

## Student Leadership Guide Home Companion

### Level K, Lesson 1: Welcome

Throughout this year-long leadership curriculum, your child will learn many leadership skills, including *The 7 Habits of Highly Effective People*®. Using the content in the curriculum, your child will learn that everyone has the potential to lead. In this lesson, your child will learn that when individual strengths are combined, everyone is stronger.

**Note:** Some of the lessons in the Student Leadership Guides require slight wording changes to make them appropriate for home. For this lesson, replace “class” with “family.”

Use the questions below to engage your child in a conversation:

#### BEFORE THE LESSON:

- What makes a caterpillar special? (*It turns into a butterfly.*)
- What makes you special?

#### AFTER THE LESSON:

- Would you like me to share some things I think are special about you? (*Point out the qualities, strengths, and/or talents you see in your child.*)
- What would you say is special about me?
- Ask your child to share what they think makes each member of the family special.

#### OPTIONAL ACTIVITY:

- As a family, play the “Up and Down” game to show the unique talents and strengths of family members.
- Invite one member of the family to read each sentence.
- Each member of the family stands up if the sentence is true for them and sits down if it is not.
  - *Examples: I am a good listener; I like to have fun; I am kind; I make mistakes; I am curious; I like to learn; I try new things; I do my most important things first; I work hard; I like to read; I include others; I like to help; I take care of my things.*
- The game will help each member of the family see their own strengths and the strengths within the family.
