Church Management System Documentation:

Church Management Basics Ferdinand J Burger, 2004 Believing that a church or mission should be managed according to a structured module based on Biblical principles Church Management Basics provides leadership and management with some basic ideas to help the reader become more accountable and responsible in their work Not only are general topics such as Finance Administration and Human Resources discussed but they are also examined more fully where appropriate Hands on examples are used to illustrate the application of solutions offered and further tools and samples add to the innovative ingredients to make this book a must read for all church leaders workers in missions and employees of other non profit organizations Areas of business covered in Church Management Basics include Management and Leadership sharing the vision and keeping the vibrancy going finance and basic accounting for non profit organizations document management administration time management project management IT Systems Human Resources Management in churches and how not to lose the main focus of God s Church on earth while doing all the day to day tasks For more information please visit <http://ferdinandburger.net/firms.com> or contact the author per email ferdinand_burger@bluewin.ch

Church Administration, 3rd Edition Robert H. Welch, Jody Dean, 2025-09-15 In the third edition of Church Administration Robert Welch and Jody Dean provide an in depth and thorough guide to the organization of the church and administration

Church Administration and Finance Manual Otto F. Crumroy, Stan Kukawka, Frank M. Witman, Paul D. Witman, 2023-09-19 A field tested guide to the management and finance of church congregations revised for a new generation Clergy are generally equipped to preach and provide spiritual care But when it comes to budgets insurance fire safety and church management many find themselves at a loss The Church Administration and Finance Manual is the classic guide to running a church written to answer key questions for clergy and lay leaders Not simply a theoretical resource the Manual provides suggestions for almost every aspect of parish administration position descriptions financial forms materials for stewardship and Christian education building use and safety issues employee record keeping and much more This revised edition offers guidance on many new topics that are of vital importance to churches including protecting children information security approaches to preventing and responding to violence planned giving social media and hybrid work and worship Whether clergy are just out of seminary or well seasoned in parish life the Manual is full of excellent guidelines tools and forms for improving the management of the parish
