Million Dollar Copywriting Secrets Noah Daniels,2014-07-28 On the Internet copy is still king There is just no way

around it if you want to build traffic improve your search engine rankings and increase your sales you need great sales copy Unfortunately with Internet copywriters you usually get what you pay for which means most marketers face a difficult decision You can pay a fortune for great copywriting that produces results a k a profits unfortunately most of those profits will have to be given back to pay the copywriter Or you can use inexpensive copywriters who simply lack the skills to generate the profits you need to truly succeed online and begin to live the wealthy lifestyle you ve always dreamed about living It s your basic no win situation and it alone has crushed the dreams of many many hard working Internet marketers What if I told you that there was a way for you to write the great copy you so desperately need yourself That s right even if you flunked high school English class even if you currently have trouble stringing together two coherent sentences you can learn to write great sales copy All you have to do is learn what the pros do and copy it all you have to do is learn a few simple secrets that the pros use to turn average copy into sales generating super copy In the Million Dollar Copywriting Secrets you ll learn How to craft killer sales copy that will have your prospects lining up and begging you to sell them your product or service How to write attention grabbing headlines that ll suck readers into your copy like a 10 ton magnet attracts paperclips Magic words you can use in headlines to send reader curiosity soaring through the roof use these words and prospects will have no choice they will have to read your letter The four principle elements of a successful headline and how to ensure yours has all four How to write copy that grabs your readers attention and doesn t let go until they have ordered A powerful persuasion technique you can use to dramatically increase the effectiveness of your copy The proper way to use testimonials to strengthen your copy you may be very surprised by what you learn here as well as by how many marketers are currently doing this all wrong How to make an offer your readers can t refuse How create a sense of urgency that ll have your prospects pulling out there credit cards and ordering before they even realize what s going on The one thing you should never ever do in sales copy do this and you are doomed to fail I repeat doomed to fail What element all Internet sales letters must have to be successful you d be amazed at how many marketers and even professional copywriters leave this out put it in your letter and watch your profits skyrocket The nine basics of all great sales letters just follow these simple steps to create your own sales generating letters you are sure to be amazed at how easy it is to do and much more

Copywriting In A

Week Rob Ashton, Robert Ashton, 2012-03-30 Great copywriting just got easier It s strange to think that there was a time when only the privileged few could read or write The rest of us relied on the spoken word Storytelling was used to pass knowledge on from one generation to the next Now most of us are literate and use the written word to gather information and inform our decision making Increasingly we do this online with social media and messaging enabling rapid spontaneous global communication But rather than freeing us from the need for clear effective written communication it actually makes good communication even more important The less we communicate face to face the greater the opportunity for misunderstandings Of course all writing communicates your message to people you cannot see and may never meet It means

you can influence more widely it also means you must take care not to make assumptions about your reader especially those who see your public postings Successful copywriting is constructed from carefully selected words each with a clear purpose It is written to prompt feelings thoughts or actions It is clear concise and at times comforting It is also comprehensible even to those not yet confident users of your language Reading this book and following the techniques it introduces will make you a more effective writer Expertise in grammar is not needed as all the necessary jargon is simply defined and anyway some forms of business writing deliberately ignore rules This book is for people who want to write for results Each of the seven chapters in Copywriting In A Week covers a different aspect Sunday Focusing your message Monday Using layout pictures and colour to make words memorable Tuesday Writing effective letters Wednesday Making advertising work for you Thursday Communicating clearly with the media Friday Preparing promotional print Saturday Composing proposals and presentation visuals
