

When I thought, "Maybe I should let them have all those pineapples, and I'll get some new ones."

But I knew that I would have to wait three more years. That was hard for me to do.

Finally I said, "Look, I will give you all of these pineapples, and then I will start all over again.

"Now you make a garden and you take all these pineapples out of my garden so that I will have room to plant new ones. I don't want your pineapples in my garden if you feel that they are yours."

So they said, "Too-won (which means 'outsider, foreigner'), you will have to pay us."

I said, "Now, look!" They said, "No, no! You are asking us to move your pineapple bushes, and that is work."

So now they are mine. I said, "All right, I'll pay you one day's work. Take them all away."

Then they said, "We don't have a garden ready. Will you pay us to get it ready?"

I said, "Forget it!" I was so fed up with them.
