## **The Rape Of Nanking Iris Chang:**

**The Rape of Nanking** Iris Chang, 2014-03-11 The New York Times bestselling account of one of history's most brutal and forgotten massacres when the Japanese army destroyed China's capital city on the eve of World War II piecing together the abundant eyewitness reports into an undeniable tapestry of horror Adam Hochschild Salon In December 1937 one of the most horrific atrocities in the long annals of wartime barbarity occurred The Japanese army swept into the ancient city of Nanking what was then the capital of China and within weeks more than 300 000 Chinese civilians and soldiers were systematically raped tortured and murdered In this seminal work Iris Chang whose own grandparents barely escaped the massacre tells this history from three perspectives that of the Japanese soldiers that of the Chinese and that of a group of Westerners who refused to abandon the city and created a safety zone which saved almost 300 000 Chinese Drawing on extensive interviews with survivors and documents brought to light for the first time Iris Chang's classic book is the definitive history of this horrifying episode

**The Rape of Nanking** Iris Chang, 1997 The Japanese army swept into the ancient city of Anaking and within weeks looted and burned the defenseless city but raped tortured and murdered more than 300 000 Chinese

**The Woman Who Could Not Forget** Ying-Ying Chang, 2012-07-01 The poignant story of the life and death of world famous author and historian Iris Chang as told by her mother Iris Chang's bestselling book The Rape of Nanking forever changed the way we view the Second World War in Asia It all began with a photo of a river choked with the bodies of hundreds of Chinese civilians that shook Iris to her core Who were these people Why had this happened and how could their story have been lost to history She could not shake that image from her head She could not forget what she had seen A few short years later Chang revealed this second Holocaust to the world The Japanese atrocities against the people of Nanking were so extreme that a Nazi party leader based in China actually petitioned Hitler to ask the Japanese government to stop the massacre But who was this woman that single handedly swept away years of silence secrecy and shame Her mother Ying Ying provides an enlightened and nuanced look at her daughter from Iris home made childhood newspaper to her early years as a journalist and later as a promising young historian her struggles with her son's autism and her tragic suicide The Woman Who Could Not Forget cements Iris legacy as one of the most extraordinary minds of her generation and reveals the depth and beauty of the bond between a mother and daughter

[Finding Iris Chang](#) Paula Kamen, 2007-12-10 This account of a bestselling author's suicide is part biography part detective story part memoir of a thorny but enduring friendship Molly Worthen author of Apostles of Reason Iris Chang's mysterious suicide in 2004 at age thirty six didn't seem to make any sense She had more to live for than anyone including fame fortune beauty a husband and a child Some even wondered if the controversial New York Times bestselling author of The Rape of Nanking had been murdered Long time friend Paula Kamen was among those left wondering what had gone so wrong Seeking to reconcile the suicide with the image of Chang's perfect life Kamen searched her own memory and scoured Chang's letters diaries and archival material to fill in the gaps of Chang's

personal transformation from awkward teen to homecoming princess in college from ex shy person to world class speaker and international human rights pioneer and her later decline into mental illness and paranoia A literary investigation of an important writer s journey Finding Iris Chang is a tribute to a lost heroine a portrait of the real and vulnerable woman who inspired so many around the world Probes the stigma of mental illness in the Asian American community Chang s sense of guilt over her son s autism her veneer of perfection and the deterioration of her mental state Publishers Weekly A rewardingly complex portrait of a driven and troubled woman Kirkus Reviews *Summary of Iris Chang's The Rape Of Nanking* Everest Media,2022-05-28T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The Japanese identity was forged in a system in which social hierarchy was established and sustained through martial competition The code of the samurai which was followed by only a small percentage of the population became the model of honorable behavior among all young men 2 Japan was isolated from the rest of the world and this allowed its society to remain unchanged for many years But in the nineteenth century events beyond Japan s control would knock the country out of its isolation and it would have to change 3 The Tokugawa shogunate fell in the 1868 Meiji Revolution which led to the establishment of the Meiji government and the adoption of the samurai ethic of bushido as the moral code for all citizens The foreign threat acted as a further catharsis for the islands 4 The 1920s were a euphoric time for Japan as the country had achieved great military victories and economic prosperity But when the end of World War I halted the demand for military products Japanese munitions factories were shut down and thousands of laborers were thrown out of work *The Secret Behind "The Rape of Nanking"* Ryuho Okawa,2016-08-01 IS THE RAPE OF NANKING A BOOK BASED ON FACTS China has been rapidly gaining strength in recent years and is about to establish its status as a hegemony At the same time the Chinese government is taking the Nanking Massacre up to a whole new level in the international society In June 2014 the Chinese government filed an application with UNESCO to register the history materials regarding the Nanking Massacre and the comfort women as Memories of the World The Rape of Nanking which came out in 1997 is a book that greatly contributed to creating this trend Due to the book the term Nanking Massacre has recently resurfaced and spread rapidly throughout the world starting with the United States However The Rape of Nanking has been brought up and argued by many experts as a ludicrous book from the time it was published The photos used in the book as records of cruel acts by the Japanese army are all photos that have been taken from elsewhere completely irrelevant to the Japanese soldiers and Nanking In order to provide a powerful material in identifying this issue we have published *The Secret Behind The Rape of Nanking* a book revealing Chang s current state the strong possibility of a conspiracy behind The Rape of Nanking and even the truth about her death This was done by a method unheard of summoning the spirit of Iris Chang from the spirit world Regardless of whether or not you believe in a spiritual message phenomenon as an individual human being you cannot remain unmoved by her tears of apology and the truth in her plea both coming from the bottom of her heart And you will probably ask yourself

What is the truth **A Phenomenology of Love and Hate** Dr Peter Hadreas,2012-10-01 Using phenomenology to uncover the implicit logic in personal love sexual love and hatred Peter Hadreas provides new insights into the uniqueness of the beloved and offers fresh explanations for some of the worst outbreaks of violence and hatred in modern times Topics discussed include the value and subjectivity of personal love nudity and the temporality of sexual love the connection between personal sexual love and the incest taboo the development of group focused hatred from individual focused hatred and prejudicial discrimination The work encompasses analysis of philosophers and writers from ancient times through to the present day and examines such episodes as the Oklahoma City Federal Building bombing and the Columbine High School massacre **Making of The Rape of Nanking** Akira Kashima,M Kanzako,2021-01-06 The Rape of Nanking The Forgotten Holocaust of World War II by Iris Chang first published in 1997 and made into many Hollywood type movies seems to have played an important role in planting the images of Japanese brutality and cruelty during World War II in public mind in the West It is shocking however to discover NO FACTUAL BASIS FOR THE ALLEGED MASSACRE OR MASS RAPE of Nanking Nanjing citizens in 1937 1938 during Sino Japanese War so vividly described in The Rape of Nanking Even more astonishing is that The Rape of Nanking is highly acclaimed as a history book often referenced in other history books and public discourses by some well regarded people in the field including some Holocaust scholars How could anyone who actually read the book endorse or give glowing reviews of a book full of forged evidence and contradictions Is it possible that missionaries lied under oath This short study exposes some of the many lies told in The Rape of Nanking from five key perspectives We hope to help the readers to gain insight into how narratives might have been created and propagated to serve their political purposes during the war and beyond **Japan's Contested War Memories** Philip A. Seaton,2007-03-12 Japan s Contested War Memories is an important and significant book that explores the struggles within contemporary Japanese society to come to terms with Second World War history Focusing particularly on 1972 onwards the period starts with the normalization of relations with China and the return of Okinawa to Japan in 1972 and ends with the sixtieth anniversary commemorations Analyzing the variety of ways in which the Japanese people narrate contest and interpret the past the book is also a major critique of the way the subject has been treated in much of the English language Philip Seaton concludes that war history in Japan today is more divisive and widely argued over than in any of the other major Second World War combatant nations Providing a sharp contrast to the many orthodox statements about Japanese ignorance amnesia and denial about the war this is an engaging and illuminating study that will appeal to scholars and students of Japanese history politics cultural studies society and memory theory **Human Dignity, Human Rights, and Social Justice** Zhibin Xie,Pauline Kollontai,Sebastian Kim,2020-06-25 This book explores human dignity human rights and social justice based on a Chinese interdisciplinary dialogue and global perspectives In the Chinese and other global contexts today social justice has been a significant topic among many disciplines and we believe it is an appropriate topic for philosophers theologians legal scholars

#### **The Paradox of Suicide and Creativity** M.F.

Alvarez,2020-11-12 If creativity is the highest expression of the life impulse why do creative individuals who have made lasting contributions to the arts and sciences so often end their lives M F Alvarez addresses this central paradox by exploring the inner lives and works of eleven creative visionaries who succumbed to suicide Through a series of case studies Alvarez shows that creativity and suicide are both attempts to authenticate and resolve personal catastrophes that have called into question the most basic conditions of human existence
