The Upside Down Kingdom Doug Serven,2020-01-02 UPSIDE-DOWN KINGDOM. DONALD B. KRAYBILL,2003 *Pilgrim Practices* Kristopher Norris,2012-03-19 Despite a wealth of literature on the missional church and missional living few resources help Christians and churches think through what it means to be disciples of Jesus Christ and what specific practices help cultivate lives of discipleship Written from with and for the church *Pilgrim Practices Discipleship for a Missional Church* introduces Christian practices from the Letter of James to help guide Christians and churches in their journey of discipleship This book frames discipleship in a way that has been largely abandoned in modern congregational literature as fundamentally an issue of identity an identity that is necessarily formed and practiced in and with the church community It is a lifestyle that cannot be lived on one s own Discipleship ultimately means engaging with others on a journey of faith sustained and cultivated through certain practices pilgrim practices The practices examined in this book develop and direct the risky pilgrim journey of Christians transforming pilgrims into disciples as the Body of Christ who participate with God in God s mission in the world In this time of transient identities individualist impulses and fleeting commitments this book offers specific practices to help Christians form their identity as disciples and to help Christian communities live their calling as the pilgrim Body of Christ in the world The Ridiculously Wacky Adventures of Princess Penelope Evelyn Wrenwood,2023-08-12 Join Princess Penelope on a whimsical journey through a kingdom filled with enchanting adventures In this delightful collection of 20 magical chapters young readers aged 6 8 will be captivated by Princess Penelope s peculiar day where rubber chicken crowns flying teacups and invisible bananas are just the beginning As Princess Penelope navigates her way through a ticklish castle dances with talking turtles and slides down rainbow colored slides she brings laughter and joy to every corner of her kingdom With her loyal companions Sir Barks a Lot and Percy the parrot and the help of spellcasters and courtiers each mischievous escapade leads to delightful discoveries and heartwarming connections From upside down kingdoms to bouncy ballrooms and even a castle where rooms play hide and seek readers will be enchanted by the imaginative and playful world of Princess Penelope With every turn of the page children will giggle along as they follow her on her adventures uncovering the magic in the ordinary and the joy in the unexpected Perfect for young readers who love whimsical tales and light hearted laughter Princess Penelope s Peculiar Adventures is a charming and engaging book that celebrates friendship creativity and the joy of embracing the unexpected Whether read aloud or enjoyed independently this enchanting collection is sure to leave kids eagerly anticipating each new chapter and dreaming of

their own peculiar adventures *Subversive Jesus* Craig Warren Greenfield,2016-04-26 When Jesus left the most exclusive gated community in the universe to come live with the people he loved and gave his life for he turned everything we know and believe about life on its head Jesus said that he came to bring good news to the poor but most Western Christians remain disconnected and isolated from the poor and their contexts of injustice Even our churches echo society's pressure to isolate ourselves from the margins e.g. by moving to a better suburb and instead teach us how to be nice people who worship a nice Jesus and don't disrupt the status quo Convinced that Jesus places love for the poor and the pursuit of justice central Craig Greenfield has sought to follow in Christ's footsteps by living among people at the edges of society for the last fourteen years His quest to follow this Subversive Jesus has taken Craig and his young family from the slums of Asia to inner city Canada and back again This is the story of how Jesus led them to the margins initiating the Pirates of Justice flash mobs sharing their home with detoxing crackheads welcoming homeless panhandlers and prostitutes to the dinner table and ultimately sparking a movement to reach the world's most vulnerable children This book is a strong and potentially controversial critique of the status quo too often found in our churches but it offers an inspirational and hopeful vision of another way While readers may not relocate to a slum they will certainly come to view their lives and ministry through a fresh lens reconsidering how they are uniquely called by Jesus to subversively love the poor and break down systems of injustice in their sphere of influence
