# Dukeminier Property

**Jesse Dukeminier, James E. Krier**

## **Dukeminier Property:**

**Property 8e** Jesse Dukeminier, 2014 Jesse Dukeminier's trademark wit, passion, and human interest perspective has made Property now in its Eighth Edition one of the best and best loved casebooks of all time. A unique blend of authority and good humor, you'll find a moveable feast of visual interest, compelling cases, and timely coverage of contemporary issues. In the Eighth Edition, the authors along with new co-author Lior Jacob Strahilevitz have created a thoughtful and thorough revision true to the spirit of the Late Jesse Dukeminier. Features: Thoroughly updated throughout with the expansion of many topics and the introduction of new topics. Extended material on intellectual property with new cases on patents, copyright, and trademarks. New material on exclusion, abandonment, and destruction with new cases and discussion. Introduction of a comprehensive treatment of the mortgage crisis with new cases and notes on foreclosure proposals to reform the legal system and proposals to revamp housing finance.

**Dukeminier & Krier's Property** Gregory S. Alexander, Lior Jacob Strahilevitz, David N. Schleicher, 2024-02-05 Buy a new version of this textbook and receive access to the Connected eBook with Study Center on Casebook Connect including lifetime access to the online ebook with highlight, annotation, and search capabilities. Access also includes practice questions, an outline tool, and other helpful resources. Connected eBooks provide what you need most to be successful in your law school classes. A concise edition of the legendary casebook Property Concise Edition Fourth Edition is perfectly suited for use in a four-credit course. Property now in its Tenth Edition is one of the best and best loved casebooks of all time. A unique blend of authority and good humor, you'll find a moveable feast of visual interest, compelling cases, and timely coverage of contemporary issues. This concise edition is more than merely a shorter version of the classic Dukeminier and Krier casebook. In style, format, and substance, it is its own book, even while it retains Jesse Dukeminier's trademark wit, passion, and human interest perspective. Its goal is to make Property law more accessible to students without sacrificing intellectual rigor. It includes features that the classic book doesn't have, such as skills exercises and review problems. Many of the Notes are very different than those in the classic book. It is far more visual than the classic book and indeed all other Property casebooks. New to the 4th Edition: For the first time, Skills Exercises have been added in several chapters. These are designed to provide students with an opportunity to develop various practice skills, such as drafting and negotiation. Additional Review Exercises: Recent U.S. Supreme Court case on takings, *Cedar Point Nursery v. Hassid*. Newly added cases including *Wetzel v. Glen St. Andrew Living Community LLC* on the liability of landlords for tenant on-tenant discriminatory harassment. Enhanced discussions about the racial dimensions of various Property topics. Professors and students will benefit from. While it is student-friendly, it doesn't sacrifice intellectual rigor; it's not dumbed down. Very visual and accessible to students with the aid of graphics, charts, pull-outs, etc. It covers all of the same topics as the Main book and in the same order, although with less coverage of IP. Errors that crept into the last edition have been corrected. The inclusion of problems, especially at the end of the chapters, help students review the materials as they go along. *Property* Jesse

Dukeminier, James E. Krier, 1998-01 This pathbreaking casebook retains the qualities that have earned it such a loyal following: excellent organization, stimulating text, distinctive sense of humor, and human interest and adaptability to a wide range of courses. While it incorporates the latest developments in the field, *Property* Fourth Edition once again offers comprehensive coverage of the full range of property issues, including outstanding treatments of two of the most difficult topics: Estates and Future Interests. A combination of text, problems, and carefully chosen leading cases keeps this discussion both readable and interesting. Servitudes This clear explication is based on historical development up to the present with full treatment of the Restatement Third of Servitudes. Fully updated *PROPERTY* includes timely material on developments in fair housing, property rights of same sex couples, trends in common interest developments, zoning, a rewritten chapter now emphasizing planning goals. *Property* Fourth Edition takes an exciting and contemporary approach to this essential subject from the introductory chapter on what can be considered property and why we have private property to the concluding examination of eminent domain and the problem of regulatory takings. Dukeminier and Krier supply clear explanations, lucid analyses, and compelling illustrations to bring students to a deep and meaningful understanding of the law. Known for its excellent case selection, *Property* gives instructors the flexibility to tailor use to individual course needs and teaching methods. The thoroughly revised Teacher's Manual, long regarded as one of the best in any subject, answers every problem and analyzes every case in the book.

A concise edition of the legendary casebook, *Property Concise Edition* is perfectly suited for use in a four-credit course. Jesse Dukeminier's trademark wit, passion, and human interest perspective has made *Property* now in its Eighth Edition one of the best and best-loved casebooks of all time. A unique blend of authority and good humor, you'll find a moveable feast of visual interest, compelling cases, and timely coverage of contemporary issues. Features: Substantially shorter than most *Property* casebooks. The shortened number of pages does not come at the expense of coverage, which remains the same as in the parent book. The Notes have been substantially reduced, and the number of cases has been reduced, all without sacrificing coverage or rigor. Two-color design featuring photographs and diagrams. Pull-out Sidebar features including In Brief, A Look Back, and The Rest of the Story that aid in student learning, making the book very user-friendly. Increased use of diagrams and graphics to illustrate transactions and doctrines. New cases and new photos that differ from what was in the 7th Edition of Dukeminier. *Property CasebookConnect* features ONLINE E-BOOK. *Law Out of Context* Alan Watson,2000 Law and society are closely related though the relationship between the two is both complicated and understudied In a world of rapidly changing people places and ideas law is frequently taken out of context often with surprising and unnecessary consequences As societies and their structures religious doctrines and economies change laws previously established often remain unchanged Dominant nations frequently impose their own laws on weaker nations whether or not their cultures are similar Conquered nations after regaining freedom often keep their conquerors laws by default Law is often misrepresented in literature and legal scholars citizens and businesspeople alike ignore large portions of the legislation under which they live and work Even the American system of legal education frequently proves itself irrelevant to a proper understanding of today s laws Alan Watson studies examples from the ancient laws of Rome and Byzantium laws within the Christian Gospels and policies of legal education in the modern United States to

demonstrate the need for a new approach to both law and legal education Law Out of Context illustrates that only by understanding comparative legal history and by paying more attention to changes in our society can we hope to devise consistently fair and respected laws

*Pierson v. Post, The Hunt for the Fox* Angela Fernandez, 2018-09-27 The 1805 New York foxhunting case *Pierson v Post* has long been used in American property law classrooms to introduce law students to the concept of first possession by asking how one establishes possession of a wild animal In this book Angela Fernandez retells the history of the famous fox case from its origins as a squabble between two wealthy young men on the South Fork of Long Island through its appeal to the New York Supreme Court and entry into legal treatises law school casebooks and law journal articles where it still occupies a central place Fernandez argues that the dissent is best understood as an example of legal solemn foolery Yet it has been treated by legal professionals the lawyers of its day and subsequent legal academics in such a serious way demonstrating how the solemn and the silly can occupy two sides of the same coin in American legal history

### **Dukeminier Property Introduction**

In today's digital age, the availability of Dukeminier Property books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Dukeminier Property books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Dukeminier Property books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Dukeminier Property versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Dukeminier Property books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Dukeminier Property books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Dukeminier Property books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to

digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Dukeminier Property books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Dukeminier Property books and manuals for download and embark on your journey of knowledge?
