### Why does bp use a competency-based approach?

A competency-based interview process provides interviewers with a way to obtain information about skills that are best explored during an in-person discussion. Gathering detailed information about these skills generally helps interviewers identify candidates who are more likely to be high performers.

### What can I expect during the interview process?

Trained interviewers will conduct the bp interviews and guide you through the process. Typically, the interview will last approximately ninety minutes and is conducted by interviewers from the relevant project or program.
