Dr. Benu Prasad Barua Banani Bably,2021-09-23 This is a biography of my father Dr Barua I always wanted to read story books instead of textbooks when I was a little girl One day I discovered that I can tell my feelings and my surroundings in writing to my friends When I got married to a Muslim boy I was disconnected from my family For almost a decade and a half I had no contact with my parents siblings or relatives That at was a painful time in my life and in the meantime I heard my sister became depressed and suicidal My husband helped me to reconnect with my family To show my father and family that I care about them I wrote this biography as a symbol of love
