In Levittown's Shadow Tim Keogh,2023-11-03 Inverting the conventional history of American suburbanization Tim Keogh turns the spotlight from wealth and freedom to poverty and inequality Focusing on the archetypal Long Island communities of the postwar era Keogh shows that a key driver of suburban development and the segregation it embodied was not housing but employment Inequality and injustice were baked into suburban development but housing discrimination was a secondary expression of this not a primary cause As a result equity minded suburbs that focused on housing policy rather than employment opportunities were doomed to fail Keogh hopes to motivate more effective approaches to contemporary inequity by changing our understanding of how it took shape historically

India and EU Bhaswati Mukherjee,2018-10-02 A popular myth maintains that Indo EU relations are best viewed through the British prism This

disregards the historical evidence of Alexander's march to India and the Roman Empire's trade with India. In more recent times cultural icons like Satyajit Ray have been celebrated more in Paris than elsewhere. India's trade with EU especially in defence items is anchored to a greater extent in the continent rather than across the channel. Brexit is now going to take away that British prism. A fresh and in many ways a profound new Indo-EU relationship is about to emerge. Bhaswati Mukherjee's book *India and EU: An Insider's View* is timely. It traces the past, explains the present state of relationship in all its complexity and looks into the crystal ball. This is an objective assessment by a highly regarded professional of the successes as also the wrinkles of the past in the relationship as well as the practical steps for a more vigorous Indo-EU future. Written with great fluency, *India and EU: An Insider's View* fascinates with its vignettes, making it a unique and must-read book. *Bhaswati*, 2024. **Memoranda of Midnapore, 1852** H. V. Bayley, 1902. **Bhāsvatī** Taruṇakānti Mīśra, 2014. By an established Oriya author. **The Forest Wails** Bhaswati Parasar, 2021-07-29. Blending diverse genre elements, the book offers an innovative narrative structure to voice the fears and warnings of an apocalyptic end caused by the thoughtless destructions of nature. Interfusion of thrilling adventures in the forest, tales of romantic dalliances, passionate depiction of the splendors of nature, and the fine display of the local milieu makes the otherwise serious theme of the book an irresistible read. The book poses an unswerving witness of the author of an era in the city of Guwahati and the foreboding dangers that lurks on its people. The ceaseless developments done at the costs of the forests, the hills, and the wetlands are turning us the helpless witness to the clashes of the forest, man, and the city. Bringing within its purview the various ecological concerns combined with the callous, thoughtless actions of the political leaders, corrupt government officials, and the ignorance and carelessness of common people, the book traces all the nemeses that lead to the annihilation of the ecological balance. The emotional fervor, the personal appeal, the tiny special narratives within the bigger framework of the book, the swiping panorama of the city, and the beckoning to a nostalgic past of a bygone green era of the narrator give the book its distinctive flavor. *Pratidin Ayurveda* Bhaswati Bhattacharya, 2018-11-23. Time is scarce and precious in today's world, and we seek solutions that are quick. While allopathic medicine tends to focus on the management of disease, the ancient study of Ayurveda provides us with holistic knowledge for preventing disease and eliminating its root cause. Dr. Bhaswati Bhattacharya takes you through a day in the life of Ayurvedic living.
