*Cosmic Preeminence* R L Coursey, 2018-06-26 Many who correctly exalt the preeminence of Christ in their theology may yet oppose His preeminence

with their priorities Our priorities reveal our portion and location does not change that portion For the psalmist declared the preeminence of Christ in both heaven and earth Whom have I in heaven but Thee and there is none upon earth that I desire besides Thee Ps 73 25 Whenever there are two things that are good the believer who has his priorities aligned with the kingdom never rejects the lesser but always prefers the better And when one of these is finite and the other infinite there must be no competition in his choice Since Christ is preeminent in creation cosmic preeminence must be infinitely higher in our affections than cosmic redemption The new view on heaven is popular because it legitimizes the priorities of a consumer culture by always emphasizing the latter while merely including the former While both are equally true they are not truly equal The priority of the beatific vision is evidenced by the superiority of its object Therefore we should always emphasize the former without failing to mention the latter Once creation and redemption are paired together in our priorities the preeminence of Christ slowly becomes less important and how to gain and or enjoy creation is always the primary emphasis both in this life and the next Like Christ we must differentiate between His kingdom and all those things that are merely added unto us in this life and on the future new earth With the Kingdom clearly in view we must prioritize that mandate Great Commission through which Christ has chosen to extend His kingdom and work of redemption in the world The Creation Mandate given before the Fall like all the commands is not redemptive in nature and the church is the only society of the redeemed Our new identity in Christ without eliminating infinitely supersedes our creation identity simply because Christ infinitely supersedes all creation in worth The problem with exchanging the Great Commission with the Cultural Mandate is that the present mission of Christ to build His church becomes secondary to His work of providence in culture the power of the gospel becomes secondary to the power of our example and moral influence on society and culture and the preeminence of Christ is no longer based on His person and work but on the success of our work among people We always proclaim what we are wrote Martyn Lloyd Jones by our priorities Her chosen part Hamilton Drummond,1920

**The Principle of Changes: Understanding the I Ching** Jung Young Lee,1971 **The Reformed Presbyterian and Covenanters** ,1887 Paul N. T. Wright,2018-02-27 In this definitive biography renowned Bible scholar Anglican bishop and bestselling author N T Wright offers a radical look at the apostle Paul illuminating the humanity and remarkable achievements of this intellectual who invented Christian theology transforming a faith and changing the world For centuries Paul the apostle who saw the light on the Road to Damascus and made a miraculous conversion from zealous Pharisee persecutor to devoted follower of Christ has been one of the church s most widely cited saints While his influence on Christianity has been profound N T Wright argues that Bible scholars and pastors have focused so much attention on Paul s letters and theology that they have too often overlooked the essence of the man s life and the extreme unlikelihood of what he achieved To Wright The problem is that Paul is central to any understanding of earliest Christianity yet Paul was a Jew for

many generations Christians of all kinds have struggled to put this together Wright contends that our knowledge of Paul and appreciation for his legacy cannot be complete without an understanding of his Jewish heritage Giving us a thoughtful in depth exploration of the human and intellectual drama that shaped Paul Wright provides greater clarity of the apostle s writings thoughts and ideas and helps us see them in a fresh innovative way Paul is a compelling modern biography that reveals the apostle s greater role in Christian history as an inventor of new paradigms for how we understand Jesus and what he accomplished and celebrates his stature as one of the most effective and influential intellectuals in human history **God in Freedom** Luigi Luzzatti,1930 **Washington News Letter** ,1911 **My Life in Christ** Saint John (of Kronstadt),1897 **Dublin University, A Literary Journal and Political Journal** ,1871 *University Magazine* ,1871 *The Dublin University Magazine* ,1871 **Things new and old** ,1875
