Subject: (*****)

Dear Driscoll Leach,

I read the information about the Masters of Science in [Course name] on your website. With this letter, I would like to express my interest in studying Electronic engineering at the University of XX. I currently hold a B.Sc degree in [course name] from University of XY. Due to my hard work, I was able to achieve a GPA of 4.1 out of a possible 5.0 during my studies. I have a keen interest in new technologies and am eager to adopt them. In my senior year, I participated in an internship for a month in Birla Financial Services, which enabled me to deepen my knowledge of electronics and also learn from professionals in my field. I have always enjoyed being in positions of responsibility. In School, I was highly committed to contributing to the technical team and was elected the team leader after my first year. At my university, I was a member of the Student Body Committee. I have learned the importance of time management, decision making, and taking initiatives through these experiences. As I am a highly motivated and industrious individual who has demonstrated qualities of leadership, I feel I will be an excellent fit at XX University. I am confident that I will be able to achieve expertise in the subject and my career goals by enrolling in this program. Thank you for considering my letter, and I am looking forward to hearing more from you.

Yours sincerely,
