English Language Composition is geared toward the student who has studied the mechanics of writing and rhetoric at an  
advanced level and wishes to pursue college credit Take care not to confuse the AP Examination in English Language  
Composition with the AP Examination in Literature Composition The Literature exam focuses on literature and literary  
criticism while the Language exam deals with writing as a craft This book is designed to help you prepare for the AP  
Examination in English Language Composition only The AP English Language Composition Exam is divided into two sections  
Section 1 Multiple Choice 60 minutes accounts for 45% of total score Five or six reading passages with an average of 10  
questions each Section 2 Free Response up to 120 minutes accounts for 55% of total score Three essay questions The first  
section consists of five or six reading passages and sixty multiple choice questions which you will have one hour to complete  
Each passage will be followed by an average of ten questions and thereafter the passage will not be referred to again Do not  
feel pressured to remember each reading just digest them one at a time and move on After reading the passage you will have  
approximately one minute to answer each question The second section of the AP English Language Composition Exam  
consists of three essay questions and is divided such that you will have forty minutes to write each essay Do not expect to be  
able to go back to an essay after the allotted time has elapsed Note that each essay has very specific instructions and most  
have a passage which you will read critically to answer the essay question Your essays will be scored according to the essay  
structure the clarity of your writing and the extent to which you have answered the question Scoring the Exam The multiple  
choice section of the exam is scored by crediting each correct answer with one point and deducting one fourth of a point for  
each incorrect answer Unanswered questions receive neither a credit nor a deduction The free response essays are graded

by more than 5 000 instructors and professors who gather together each June for a week of non stop AP essay grading Each essay booklet is read and scored by four graders Each grader provides a score for the individual essays This score is a number on a scale from 0 to 9 0 being the lowest and 9 the highest The graders are not aware of each other s scores When the essays have been graded four times the scores are averaged one score for each of the three essays so that the free response section is composed of three scores The three essays are weighted equally and the total weight of the free response section is fifty five percent of the total score The multiple choice section accounts for forty five percent of the total score Each year the overall grades may fluctuate because the grading scale depends upon the performance of students in past AP administrations The following method of scoring along with the corresponding chart will give you an approximation of your score It will not indicate the exact score you would get on the actual AP English Language Composition Exam
