**Antique Car Restoration and Upkeep**

Leo Sutram, 2012-12-06 An Antique car can be worth quite a bit of money to a collector if it has been carefully restored to its original condition Therefore during the entire process of overhaul every bit and every part must be exact Antique automobile restoration involves the process of disassembling the entire car cleaning and either replacing or repairing the original parts and then reassembling the vehicle In order for the car to maintain its original value it must be restored with all of the proper parts In most cases the engine must be completely rebuilt This will involve extensive searching to find genuine parts and paint for your car It also requires extensive knowledge on body work mechanical work and interior work of true antique car restoration This book will provide the new antique car collector with a broad overview on some of the following Restoring vs Rebuilding Preparations for

restoration work Interior restoration Body restoration Mechanical restoration Upkeep for your restored car Collecting antique cars and restoring them to their brand new glory is a leisurely pursuit because for one it can cost a fortune to collect and restore these types of cars and two it can take a long time to complete restoration But it is a hobby that can give the avid antique car collector a sense of great pride especially when he gets to show off his car at prestigious car shows and it is admired by many who see it
