Functions Of Management Dr. Bhargavi V. R., Dr. Rekha Gothe, & Devika S, 2026-01-28 *Functions of Management* is a comprehensive textbook designed to provide students, educators, and aspiring managers with a strong conceptual and practical understanding of the essential functions of management. Structured across ten well-organized modules, the book covers the foundational aspects of management, including planning, organizing, staffing, directing, controlling, coordinating, decision making, communicating, and motivating. Each module explores meaning, importance, principles, and techniques related to the respective function, ensuring clarity and relevance in a dynamic business environment. The book also incorporates insights into the historical evolution of management, thought drawing comparisons between classical, behavioural, and modern theories. Detailed explanations supported by relevant examples make the content engaging and easier to apply in real-world contexts. Additionally, key features such as keywords, multiple-choice questions, review questions, and references at the end of every module enable learners to reinforce knowledge and assess their understanding effectively. This text emphasises the interconnected nature of management functions, showcasing how successful managerial performance depends on strategic coordination and informed decision making. Ideal for management students and emerging professionals, *Functions of Management* serves as both an academic resource and a practical guide to developing essential managerial competencies in today's competitive and evolving workplace.
