Prophetic Ministry Made Easy Les D. Crause,2013-12-12 Prophetic Ministry Is Not Difficult In fact anyone can prophesy Sometimes we make things more complicated than God intends Prophetic Ministry is one of those ministries that are not difficult if you learn how to do it God s way Apostle Les D Crause has been training prophets for many years and he knows the pitfalls that many face on this road He shares some of his own story on how he moved into this ministry Now in this powerful teaching he takes what is often complicated and presents it in a way that is easy to understand You Will Learn How you can learn to become a prophet How to start seeing in the Spiritual Realm How to start hearing spiritually and prophetically How to function under the Prophetic Anointing How to handle negative responses to your ministry How to become a Prophetic Minister How to minister deliverance as a Prophet How to minister both publicly and privately How to Get Going li The Prophetic ministry is not only for those called to be prophets You can learn to flow in this ministry as an ordinary believer After that you may find that you are called to be a prophet and you will be ready to receive higher level training The how to instructions in this book will take you by the hand and show you step by step how to do this even if you have never done it before So if you have a hunger to hear His voice and speak His words to others delay no longer Get Your Hands on This Book and find out how easy it is *The Prophetic Ministry* Rick Joyner,1997 In *The Prophetic Ministry* Rick Joyner provides a practical guidebook for the prophetic ministry Refuse to settle for less than what God has for you Get your questions answered and become activated in your prophetic ministry Topics include What is prophecy Is it right to seek the prophetic Do we really need prophecy today How can we recognize counterfeit gifts of the Spirit *Moving in the Prophetic* Gregory Haslam,2012-11-20 The gift of prophecy has always invited some degree of opposition and controversy It is one of the most vivid displays of God s presence and power among his people Many people struggle with the very concept of the validity of prophecy today They are troubled by the possibility that God may have direct access to our minds Greg Haslam argues that such concerns are misplaced Following St Paul s injunction that we should be eager to prophesy he considers how God speaks and how we should hear him how we can test and deliver a prophetic word and how we can grow in confidence as we learn to discern what the Spirit is saying to the church **The Nuts and Bolts of Prophetic Ministry** Janice Saleem,2012 The prophetic has not been done away with but is a vital part of God s ministry in today s world **Empowerment and Disciplines** Prop R a Flowers,2012-11-21 *Prophetic Ministry* T. Bejarano,2023-02-18 Biblical teaching and theological formation for those who have a calling from God to prophetic ministry A book that will help to better understand the ministry of a prophet especially for those who desire to exercise this ministry with greater knowledge and responsibility There is a need in the Church for a broader biblical appreciation about prophetic ministry in order to avoid possible sidetracks or extremes that can affect not only the credibility but also the very ministerial stability of those who practice this ministry In an extraordinary chapter the author recounts actual prophecies that were given in Venezuela in the past prior to the difficult situation the country faces today **Reclaiming Prophecy** Darin Slack,2015-05-16 Is there a way to experience prophetic ministry in a God honoring way without all the mess and confusion Prophetic ministry is the Holy Spirit's gift to the Church Yet this gift has been abused confused and misused making it difficult for today's Church leaders to embrace With biblically sound delivery Darin Slack offers a compelling perspective based on his thirty years of experience in prophetic ministry He challenges indifference and complacency while discouraging doctrinal disorder in the administration of the gift Slack provides a powerful and much needed balance that will allow Church leaders to see the great potential for blessing in the prophetic while reducing the risk Through Scripture Slack offers leaders from all doctrinal backgrounds a faith building process for realizing prophecy that leads to Church edification 1 Cor 14:3 This book is a must have for every pastor or Church leader who desires to scripturally understand and implement prophetic ministry **Catalog of Copyright Entries.
