The Continuum Encyclopedia of Children's Literature Bernice E. Cullinan, Diane Goetz Person, 2005-01-01 Provides articles covering children's literature from around the world as well as biographical and critical reviews of authors including Avi C S Lewis J K Rowling and Anno Mitsumasa [The Early Reader in Children's Literature and Culture](#) Jennifer Miscek, Annette Wannamaker, 2015-12-22 This is the first volume to consider the popular literary category of Early Readers books written and designed for children who are just beginning to read independently It argues that Early Readers deserve more scholarly attention and careful thought because they are for many younger readers their first opportunity to engage with a work of literature on their own to feel a sense of mastery over a text and to experience pleasure from the act of reading independently Using interdisciplinary approaches that draw upon and synthesize research being done in education child psychology sociology cultural studies and children's literature the volume visits Early Readers from a variety of angles as teaching tools as cultural artifacts that shape cultural and individual subjectivity as mass produced products sold to a niche market of parents educators and young children and as aesthetic objects works of literature and art with specific conventions Examining the reasons such books are so popular with young readers as well as the reasons that some adults challenge and censor them the volume considers the ways Early Readers contribute to the construction of younger children as readers thinkers consumers and as gendered raced classed subjects It also addresses children's texts that have been translated and sold around the globe examining them as part of an increasingly transnational children's media culture that may add to or supplant regional ethnic and national children's literatures and cultures While this collection focuses mostly on books written in English and often aimed at children living in the US it is important to acknowledge that these Early Readers are a major US cultural export influencing the reading habits and development of children across the globe

Transforming Early Learners Into Superb Readers Andrea M. Nelson-Royes, 2012-10-18 Transforming Early Learners into Superb Readers Promoting Literacy at School at Home and within the Community aids elementary educators reading specialists school administrators private and public educators parents and caregivers who want to help early learners become proficient readers The early years are the most important for children because they are the formative years so it is vital for children to build a solid reading foundation when they are most receptive Andrea Nelson Royes contends that if all these individual players collectively help to develop a child's reading readiness all children may thrive from a high quality education and a love of literacy *Learning with Literature in the Canadian Elementary Classroom* Joyce Bainbridge, Sylvia Joyce Pantaleo, 1999-11 Grade level 1 2 3 4 5 6 7 k p e i t **The Adventures of Paddington: Paddington and the Painting** Alyssa Satin Capucilli, 2020-05-05 Based on the new Nickelodeon animated series and inspired by the classic books this 32 page My First I Can Read is perfect for shared reading with a child When Mrs Brown can't find inspiration for her painting she enlists the help of Paddington The Adventures of Paddington is an animated
