Strategic Business Forecasting: A Structured Approach to Shaping the Future of Your Business Dr. Simon Ramo,Dr.  
Ronald Sugar,2009-02-19 A helpful read not just for corporate strategists but for almost anyone looking ahead Los Angeles  
Times What s Your Next Big Move At the turn of the century Western Union passed on the chance to dominate the telephone  
industry Later General Electric concluded that a new invention called television was doomed to fail And very recently  
decision makers at the highest level were taken off guard when the global economy dropped from under their feet and took  
their companies with it Today only those business leaders with the power of long term foresight will seize and hold true  
competitive advantage But can managers really predict the future Yes to a greater extent than one might expect Strategic  
Business Forecasting shows how to identify and quantify possible events that may affect your business Applying creativity  
personal experience and the lessons of history you can use such forecasting to develop plans that will help your organization  
compete Drs Simon Ramo and Ronald Sugar two giants of the aerospace industry share their Four Measures Rating system  
to help you explore the world of possibilities thoroughly and systematically Under their tutelage you will be equipped to  
Create a comprehensive list of possible scenarios concerning your business Utilize a scoring system to rate each scenario s  
merit as a serious and useful prediction Develop an effective plan that strategically shapes the future of your organization  
The authors provide vivid illustrations of the Four Measures system at work with real world examples of both forecasting  
failures and successes No one can predict perfectly and the authors don t promise magic With the approach described in  
Strategic Business Forecasting however you can ensure your organization is better poised to seize future opportunities avoid
