David Lodge Changing Places Analysis:

Changing Places David Lodge, 2025-11-20 Volume 12, Tome IV: Kierkegaard's Influence on Literature, Criticism and Art Jon Stewart, 2016-12-05 While Kierkegaard is primarily known as a philosopher or religious thinker his writings have also been used extensively by literary writers critics and artists This use can be traced in the work of major cultural figures not just in Denmark and Scandinavia but also in the wider world They have been attracted to his creative mixing of genres his complex use of pseudonyms his rhetoric and literary style and his rich images parables and allegories The present volume documents this influence in the different language groups and traditions Tome IV examines Kierkegaard s surprisingly extensive influence in the Anglophone world of literature and art particularly in the United States His thought appears in the work of the novelists Walker Percy James Baldwin Flannery O Connor William Styron Don DeLillo and Louise Erdrich He has also been used by the famous American literary critics George Steiner and Harold Bloom The American composer Samuel Barber made use of Kierkegaard in his musical works Kierkegaard has also exercised an influence on British and Irish letters W H Auden sought in Kierkegaard ideas for his poetic works and the contemporary English novelist David Lodge has written a novel *Therapy* in which Kierkegaard plays an important role Cryptic traces of Kierkegaard can also be found in the work of the famous Irish writer James Joyce *Kierkegaard's Influence on Literature, Criticism, and Art: The Anglophone world* Jon Bartley Stewart, 2013 5 volumes t 1 The Germanophone world t 2 Denmark t 3 Sweden and Norway t 4 The Anglophone world t 5 The Romance languages Central and Eastern Europe **Intention Interpretation** Gary Iseminger, 2010-08-12 an excellent and comprehensive discussion of a debate that was initiated in this century in William Wimsatt s and Monroe C Beardsley s influential article *The Intentional Fallacy* this is a splendidly conceived and very useful collection of essays Readers will want to take issue with the arguments of individual authors but this is to be expected in a volume at the cutting edge of a fertile philosophical controversy David Novitz *The Philosophical Quarterly* What is the connection if any between the author s intentions in while writing a work of literature and the truth acceptability validity of interpretive statements about it With this question Gary Iseminger introduces a literary debate that has been waged for the past four decades and is addressed by philosophers and literary theorists in *Intention and Interpretation* Thirteen essays discuss the role of appeals to the author s intention in interpreting works of literature A well known argument by E D Hirsch serves as the basic text in which he defends the appeal to the author s intention against Wimsatt and Beardsley s claim that such an appeal involved the intentional fallacy The essays mostly commissioned by the editor explore the presuppositions and consequences of arguing for the importance of the author s intentions in the way Hirsch does Connections emerge between this issue and many fundamental issues in metaphysics and the philosophy of mind as well as in aesthetics The old New Criticism and current Post Structuralism tend to agree in disenfranchising the author and many people now are disinclined even to consider the alternative Hirsch demurs and arguments like his deserve the careful attention both from critics and sympathizers that they

receive here Literary scholars and philosophers who are sympathetic to Continental as well as to Anglo American styles of philosophy are among the contributors This is a timely book appearing as it does when postmodernist views of the death of the author are disappearing quickly from the scene As a collection it exemplifies the best work that is being done on this problem at the moment and it will no doubt inspire further debate The Journal of Aesthetics and Art Criticism This volume contains important articles illuminating the central debate over the role and relevance of authorial intentions in literary interoperation British Journal of Aesthetics

Encyclopedia of Contemporary Literary Theory Irene Rima Makaryk,1993-01-01 The last half of the twentieth century has seen the emergence of literary theory as a new discipline As with any body of scholarship various schools of thought exist and sometimes conflict within it I R Makaryk has compiled a welcome guide to the field Accessible and jargon free the Encyclopedia of Contemporary Literary Theory provides lucid concise explanations of myriad approaches to literature that have arisen over the past forty years Some 170 scholars from around the world have contributed their expertise to this volume Their work is organized into three parts In Part I forty evaluative essays examine the historical and cultural context out of which new schools of and approaches to literature arose The essays also discuss the uses and limitations of the various schools and the key issues they address Part II focuses on individual theorists It provides a more detailed picture of the network of scholars not always easily pigeonholed into the categories of Part I This second section analyses the individual achievements as well as the influence of specific scholars and places them in a larger critical context Part III deals with the vocabulary of literary theory It identifies significant complex terms places them in context and explains their origins and use Accessibility is a key feature of the work By avoiding jargon providing mini bibliographies and cross referencing throughout Makaryk has provided an indispensable tool for literary theorists and historians and for all scholars and students of contemporary criticism and culture

The Pragmatics of Understanding and Misunderstanding Beatriz Penas,1998 Formalist Criticism and Reader-Response Theory Todd Davis,Kenneth Womack,2018-03-24 This invaluable guide by Todd F Davis and Kenneth Womack offers an accessible introduction to two important movements in the history of twentieth century literary theory A complementary text to the Palgrave volume Postmodern Narrative Theory by Mark Currie this new title addresses a host of theoretical concerns as well as each field's principal figures and interpretive modes As with other books in the Transitions series Formalist Criticism and Reader response Theory includes readings of a range of widely studied texts including Joseph Conrad's Heart of Darkness Charlotte Bronte's Jane Eyre and F Scott Fitzgerald's The Great Gatsby among others Transitions critically explores movements in literary theory Guiding the reader through the poetics and politics of interpretative paradigms and schools of thought Transitions helps direct the student's own acts of critical analysis As well as transforming the critical developments of the past by interpreting them from the perspective of the present day each study enacts transitional readings of a number of well known literary texts

Historical Studies and Literary Criticism Jerome J. McGann, California Institute of Technology, Weingart Foundation, 1985
 For the past fifty years literary studies and criticism have been dominated by formalist structural and text centered approaches The editor of this volume Jerome J McGann has been arguing in recent years for more expansive and contextual procedures In this collection of essays he has brought together a group of distinguished collaborators including Terry Eagleton Marilyn Butler Cecil Lang and Sandra Gilbert whose work emphasizes the importance of social and historical methodologies for the study of literary texts Representing a variety of viewpoints and critical strategies these critics together demonstrate the sociohistorical dimensions of literary works provide examples of how studies of such literary works might be pursued and suggest some central areas of investigation The resulting effort to reconstitute some vital and neglected critical approaches will engage students and scholars of literature and move them to reassess current critical assumptions Fundamental to this collection is the sense that literary texts are more than self enclosed verbal constructs In his

introduction to the essays editor McGann examines how and why the concept of referentiality fell into disfavor with modern literary schools The antihistorical bias of the New Critics Structuralists and Deconstructionists he argues ultimately limit their critical vision For literature McGann stresses has various points of reference to a larger world of social interactions and historical influence only by recognizing and reconstructing that world can we mine the full meaning and communicative potential of a fictional work
