

## The Trueblood Audit Case Study Seminar Bring it on

### Objectives of the competition

The Penn State accounting department and Deloitte are sponsoring the Deloitte Trueblood audit case study competition. Each year, the Deloitte Foundation sponsors a national student case study seminar. The seminar offers students the opportunity to discuss relevant, practical issues in accounting and experience aspects of the professional working environment, including analysis and research of technical issues, problem solving, group dynamics, presentation skills, interpersonal skills, and client-auditor interactions. Student teams will analyze a case that requires some integration of financial accounting, managerial accounting, and general business issues.

The selected students/teams will work with a Deloitte professional and a Penn State faculty member on a Deloitte Trueblood case.
