What comes before phonics? Sally Neaum, Author, 2021-02-24

What comes before phonics The teaching of phonics is now strongly embedded in early literacy teaching in schools and early years settings and it has been shown to be an important part of becoming literate There is however significant concern about the formalising of phonics teaching for very young children So what should we be focusing on in early years What comes before this formal teaching What do children need to know and experience to enable them to access phonics teaching with success This book looks in detail at the knowledge understanding skills and attitudes that children need to enable them to come to phonics teaching ready to learn and with a good chance of success The second edition has been updated to include the latest research and enhanced support on working with parents and carers
