Paul Cutri, OCD, 2010 Solitude is not foreign to anyone It is a universal reality that permeates all our experiences But why write a book about it One answer God God is the One we seek in solitude Solitude which is a listening to God a being with God an attentiveness to God s word and wisdom and a being in love with God is worth the journey into it Persons who enter into solitude and taste its fruits will no longer see as they saw before Solitude offers another way of seeing When we are open to discover and to receive the mystery of solitude purifies the sight the seeing the beholding of each person When solitude brings us to God God brings us into new vision This book is directed to all who seek God and who long to see God and to know God s ways more truly This book is for those who are so eager to be transformed in Christ that they are willing to wade into the waters of solitude This book invites you to an exploration that begins with the desires to pray to pray because the hunger for God pursues you to pray because you believe the value of prayer Solitude is a milieu of prayer it beckons us to seek God Prayer will lead you into the solitude God wants for you Prayer opens the door to a solitude which will open you to God Once you read this book solitude will not be a solitude of emptiness love will be near
