Consumer Behavior Dr. D. Maria Sahaya Diran, Dr. K. Suresh Kumar, Dr. Gayathri N. M., Dr. S. Saravanan, 2026-03-03 Consumer Behavior is the study of how individuals or groups select purchase use and dispose of goods and services to satisfy their needs and wants It examines the decision making processes of consumers and the factors influencing their choices including psychological social cultural and personal aspects Key elements include perception motivation learning attitudes and beliefs which shape buying behavior The subject also explores the stages of the consumer decision process such as problem recognition information search evaluation of alternatives purchase decision and post purchase behavior Marketers use this knowledge to design effective strategies target the right audience and improve customer satisfaction External influences like family reference groups and social status also play a significant role Understanding consumer behavior helps businesses predict market trends and build strong brand relationships It is essential for developing successful marketing campaigns and enhancing customer loyalty Overall it provides valuable insights into why consumers behave the way they do in the marketplace

The British National Bibliography Arthur James Wells, 2009 Marketing Research Joseph F. Hair, Robert P. Bush, David J. Ortinau, 2006 Marketing Research 3 e takes an application oriented approach providing students with the tools and skills necessary to solve business problems and exploit business opportunities This book is unique from any other in the market in three significant ways First it provides a greater balance between primary and secondary information and the techniques and methods that underpin these two important types of data Second it offers in depth coverage of the critical research tools and skills that will be required of today and tomorrow s marketing researchers and business decision makers Third with its in depth coverage of secondary research the practice of customer based management is highlighted as this book helps students see what real companies are doing for their marketing research This book provides students a realistic and current view of the practice and importance of marketing research in the business world
