**101 Sample Write-Ups for Documenting Employee Performance Problems** Paul Falcone,2010-03-24 Whether you re addressing an initial infraction or handling termination worthy transgressions you need to be 100 percent confident that every employee encounter is clear fair and most importantly legal Thankfully HR expert Paul Falcone has provided this wide ranging resource that explains in detail the disciplinary process and provides ready to use documents that eliminate stress and second guessing about what to do and say Revised to reflect the latest developments in employment law the third edition of 101 Sample Write Ups for Documenting Employee Performance Problems includes expertly crafted easily customizable write ups that address sexual harassment absenteeism insubordination drug or alcohol abuse substandard work email and phone misuse teamwork issues managerial misconduct confidentiality breaches social media abuse and more With each sample document also including a performance improvement plan outcomes and consequences and a section of employee rebuttal it s easy to see why over 100 000 copies have already been sold making life for managers and HR personnel significantly easier when it comes to addressing employee performance issues *Nelson's Letters to Lady Hamilton and Related Documents* Marianne Czisnik,2020-09-28 This critical edition of Admiral Nelson s letters to Lady Hamilton is to bring together the important letters of Nelson to Lady Hamilton that have only been published in parts over the last 200 years Only by bringing the letters of Nelson to Lady Hamilton together is it possible to assess their relationship and to present certain insights into Nelson s personality that are not revealed in his official correspondence Thorough research into this side of Nelson s personality and into the nature of his notorious and unconventional relationship with Lady Hamilton has been hampered in the past by a desire not to look too closely at Nelson s personal morality To a considerable extent their relationship was regarded as a challenge to traditional gender roles and it indeed did not conform to stereotypes that are usually attributed to men and women in a heterosexual relationship Lady Hamilton was so obviously lacking in the subservience and passivity expected from women in that era that authors over the course of time started to exclude her in their accounts of the public sphere by reducing her to a private weakness of Nelson s who could be successful at sea where he was far away from the enthralling influence of a manipulating woman The letters in this edition testify how Admiral Nelson s life at sea was not exclusively public nor was Lady Hamilton s life ashore solely private It also shows how the two supposedly separate spheres of male and female lives were connected A fresh approach and a thorough discussion of this important and neglected aspect not only of Nelson s life but of gender history demands this exact and scholarly edition of the primary material which consists of about 400 letters that Nelson wrote to Lady Hamilton over the course of the last seven years of his life and about a dozen letters of her to him that have survived **Global Sales and Contract Law** Ingeborg Schwenzer,Pascal Hachem,Christopher Kee,2012-01-26 Although the 1980 United Nations Convention on Contracts for the International Sale of Goods CISG is one of the most successful international conventions to date it remains the case that

those involved in the international sale of goods must refer to a multitude of laws. Indeed, the CISG itself does not cover all issues relating to international sales contracts, so it must necessarily be supplemented by domestic law. *Global Sales and Contract Law* provides a truly comparative analysis of domestic laws in over sixty countries so as to deliver a global view of domestic and international sales law. The book reports on the real practice of sales law, taking into account present-day problems. Complex questions on the obligations under a sales contract, the ways in which these are established, as well as the remedies following the breach of obligations, are all discussed. By addressing regional uniform projects like OHADA and comparing differences in domestic legal approach where the CISG would not apply, the work goes beyond existing commentaries which tend to focus only on the CISG. The analysis has been based on an unprecedented survey drawn from the world's top fifty companies, as well as international traders, lawyers, arbitral institutions, arbitrators, and law schools. This work encompasses all aspects of a sale of goods transaction and takes a wide view of sale by including general contract law. The book gives practitioners invaluable insight into judicial trends and possible solutions in different legal systems, whether preparing for litigation or drafting an international contract. *Global Sales and Contract Law* is the most comprehensive and thorough compilation of legal analysis in the field of the sale of goods and is a reliable source for any practitioner dealing in international commerce.
